Everyone at RFS has one thing in common. That is that each of us spends the better part of the day Monday-Friday, September-May in school. Although school has been described as dull, boring, blah, not bad, inspiring, challenging, and a place to socialize, it is mandatory. We are united in the fact that we were here.

1973-74 was a special year because events occurred that made memories ours to cherish. Remember . . . RFS gained a new girls' gym and H hall which "brightened up" things quite a bit . . . Women's Lib was obvious — Oscar became a girl . . . the controversial fountain became a familiar sight, sometimes with the added attraction of bubbles . . . the smoking area was cleaned up with the help of a giant ashtray . . . the school was presented with a crest . . . the student council went into merchandising . . . our school day was changed to 7:30-4:00 in January and February because of daylight savings time . . . streakers came into view even at RFS . . . 18-year-olds received adult rights. Outside of our world, this was the year of Agnew's resignation, Watergate and the energy crisis.

Aside from these you will have your own special memories — standing in line for hours for registration . . . your first pep rally . . . the football game when you yelled yourself hoarse . . . the long hours spent on Homecoming floats . . . the Victory dance . . . semester exams . . . your wild study hall . . . the valentine telegram from that certain someone . . . spring fever . . . the day the seniors walked down the aisle to receive their diplomas . . . your friends. All these are

The Year

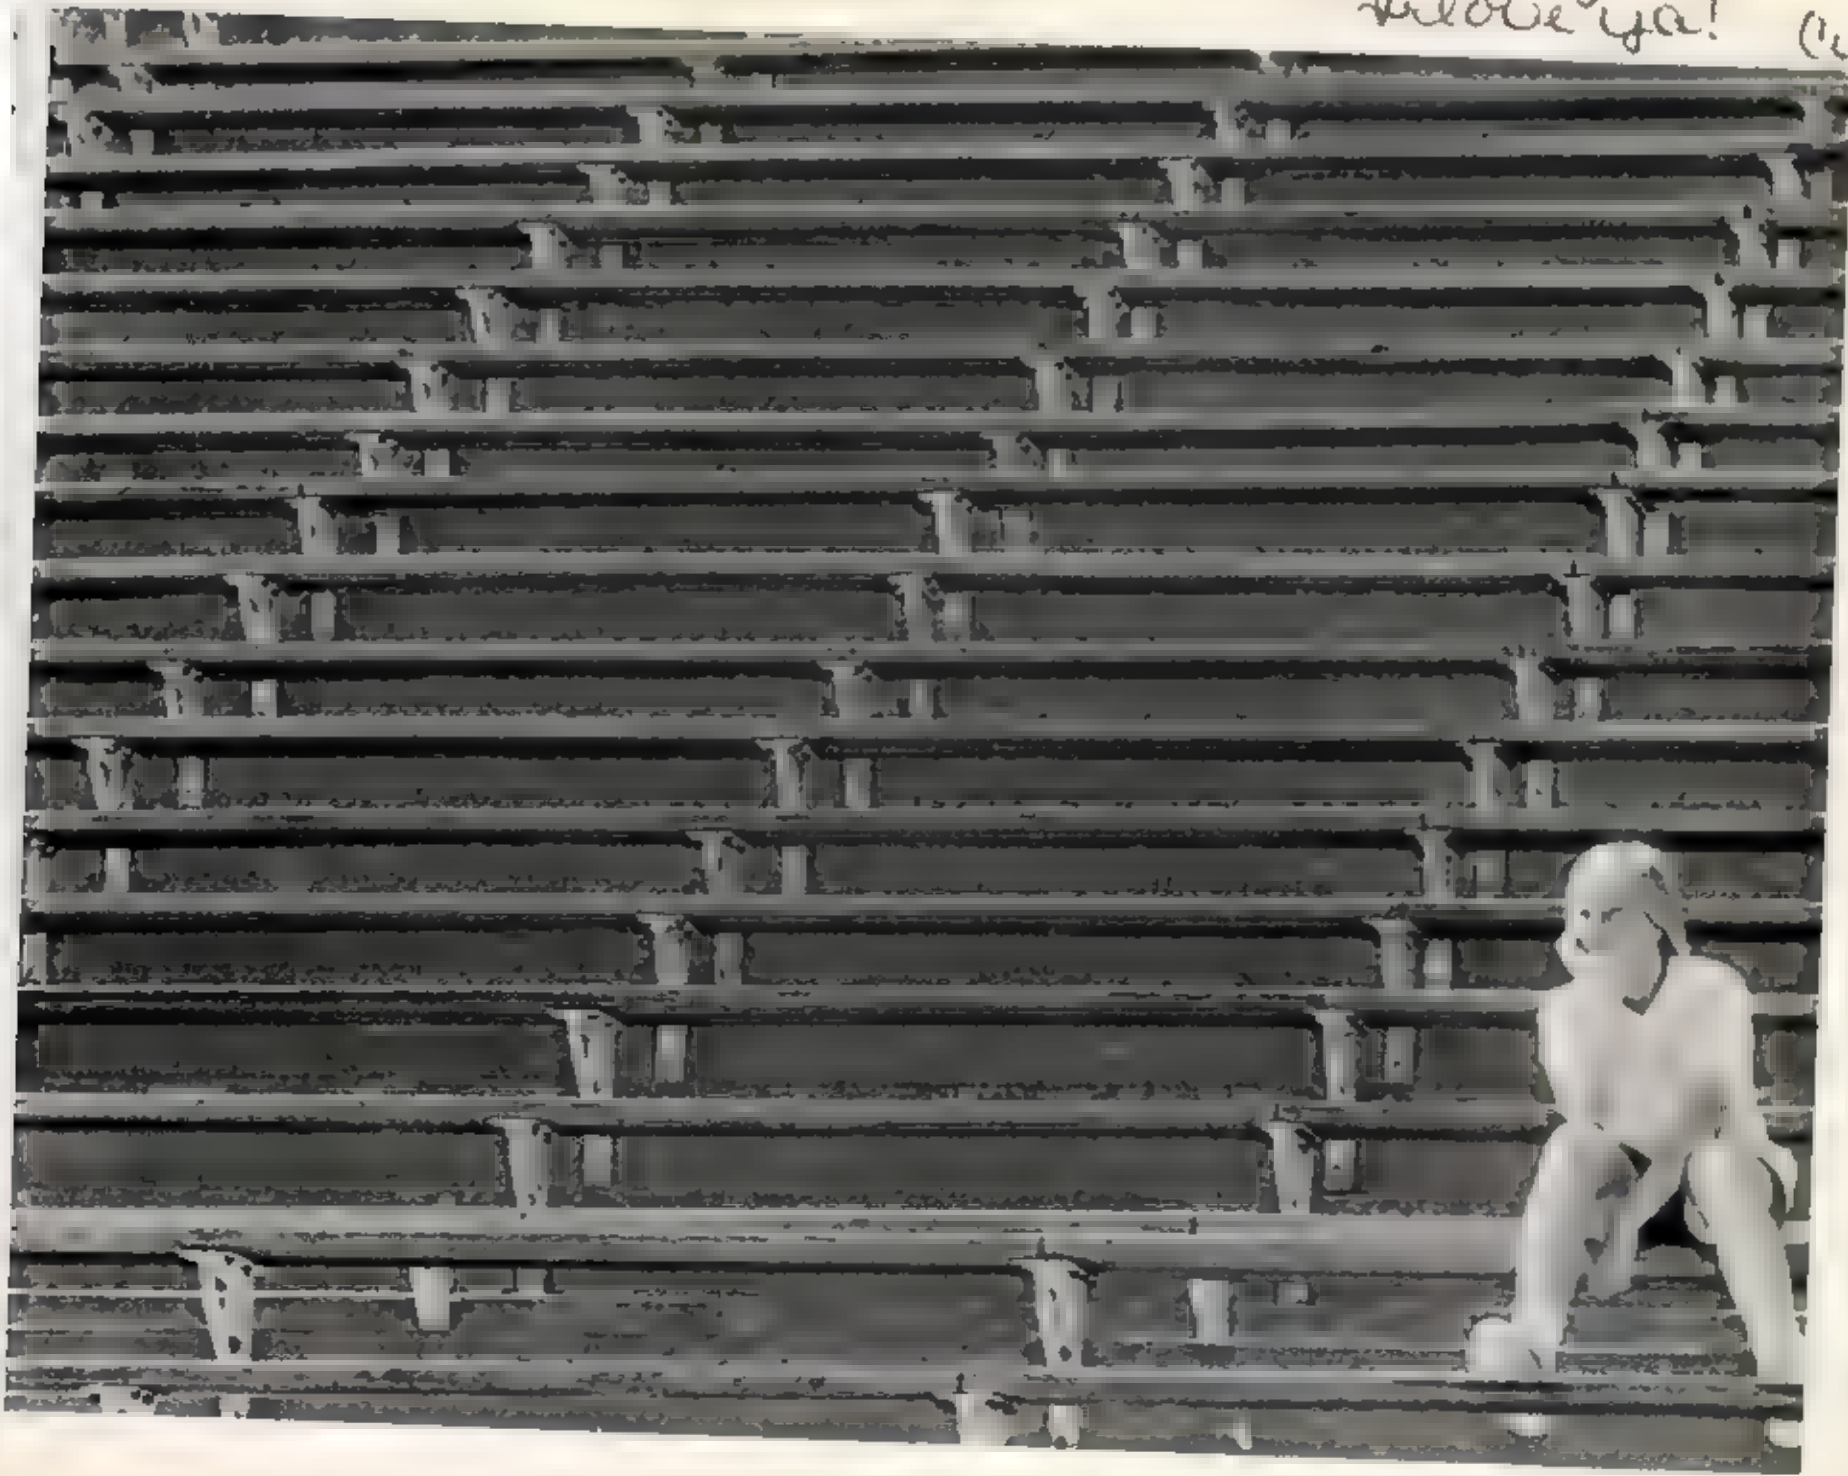

Marilyn, (the greatest for friend you could have)
 Sorry I've kept your annual so long! I've really enjoyed
 being friends and dancing with you! It's been a blast and I'm
 sure this year won't be any different! I'm so glad to meet
 you, you're a fantastic person to know. If anyone can
 get me out of a bad mood it's you & Melinda! I
 hope our friendship will continue to grow! In dance-
 ing as well as driving (Ha Ha). Remember Dulce?

A year of new ideas

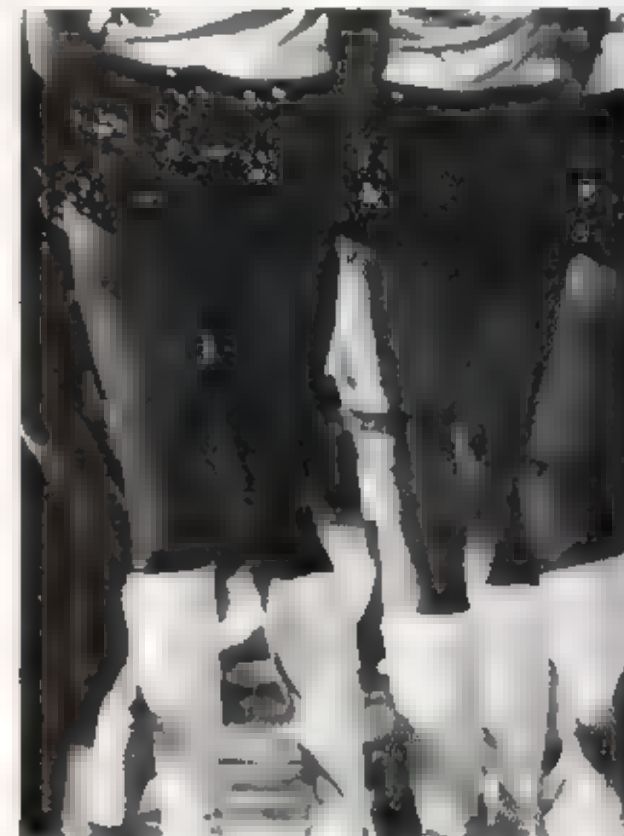

was pioneered in early September by the choir department with the production of the musical, *Mikado*. The band broke the uniform tradition with their new, white dixieland uniforms, while the student council conducted a new question-and-answer election assembly. The band helped to dedicate Dallas' new airport, and the annual staff proved that spending \$8 can be entertaining. Clubs also began to roll in September with dues and initiations.

'Tis the season

to be jolly! At RHS the Christmas spirit flowed with mistletoe and classroom parties. Physics teacher, Mr. Tom Webb, placed first in gift-receiving with a present from each of his five classes.

March of Dimes held its December hold-up, and students enjoyed an excellent Christmas assembly presented by the band and choir departments. The year of the 18-year-old adult left its mark on Richardson as night clubs replaced the Belt Line 7-11 hangout. With the holidays came ski slopes and broken legs, while New Year's celebrations brought morning headaches and numerous absences on January 2.

Teachers had one week in

January

to cover those last seven chapters before mid-term exams. Exempt students had a 4-day weekend while others frantically crammed 18 weeks of knowledge into 48 hours. Second semester greeted new teachers, and students welcomed schedule changes. The energy crisis brought on a change of school hours to 9:30-4. Student Council sponsored an all-school clean-up during fourth period classes. Most important, January marked the beginning of the four month slump that was to come.

RHGC celebrated the Eagle's Nest's sixth birthday on Feb. 14.

With February
came the mid-year

slump.

The road to Spring Break seemed long and dark, but there were some bright spots. The Army brought their tanks and jeeps in an attempt to recruit interested students. GSL sold telegrams and carnations to young lovers on Valentine's Day, and many students spent January's allowance on the Key Club Prom where Teresa Thompson reigned as queen.

The transition from the 9:30 routine back to the 8:30 schedule was quite a big adjustment.

Student Life was a

After two months of sleeping an hour later in the morning, students were suddenly faced with the resumption of the old 8:30 schedule. Such academic classes as physics provided unusual learning opportunities in the form of laser experiments. Clubs such as Math and JCL offered unique experiences in the form of contests and money-making projects.

March

began with a controversial dance at a well-known club given by a well-known group of friends and serving a well-known

beverage. Days later Uncle Sam once again amazed students, this time with the Air Force's jet flight simulation van. Student Council's Chili Supper preceded Open House and caused a peculiar epidemic among seniors some three weeks later. Teachers revealed their inner soles at the Math Club walk-a-thon, while students met balloon inflation head on during PASF's Mardi Gras. RHS students entered 31 entries in five Dallas area art exhibits in March, and bubble gum infiltrated RHS in KRHS's March "music" campaign.

Results for both superlatives and Mr. and Miss RHS were announced at the Student Council spring dance featuring Restless Fields.

While winning the Annual Senior-Faculty Basketball game, seniors earned \$750 toward the prom. Eight cheerleaders and one mascot were chosen by the student body at a second period assembly.

As a final money-making project, the senior talent show earned \$946 toward the prom. Twelve acts of diversified entertainment included a gymnastic routine by Chuck Cerny, a percussion ensemble, modern jazz dance and a bluegrass band to rock music featuring Thyrsa. James Moore acted as head commentator among 5 others. A '50's theme at the GSL's annual twirp dance, a sockhop, featured Token Effort.

Other athletes wrapped up the year with the spring sports banquet in May, while the Festival, the first literary magazine, was dedicated to Mrs. Mabel Nicholson. The senior prom, baccalaureate, casual day and dress-up day crowded the calendar; but in spite of May activities, some students found time for final exams.

As the year began to draw to a close, students gradually began to

Summer weather, warm water, and "Bud" drew students each Friday to the shores of Lake Dallas. While teachers frantically covered those last nine chapters, classrooms became cluttered with extra-credit projects, and for the first time all year students offered to clean up the smoking area (provided those 86 demerits were lifted). President Robert Jeffress adds his wit to another assembly.

A new method of electing representatives from the fourth period classroom was begun by the

Student Council.

A Student Council office and school store were opened in C100. The Council worked to make those new to RHS feel at home by conducting Sophomore Orientation and a party for Newcomers. They sponsored student buses to football games and two dances. More money came in through the sale of student directories, Homecoming Mums and the Chili Supper. This helped pay for the landscaping of the courtyard, the major project of the year. A "Rock History" assembly, Clean-up Day, all the school elections, Toys for Tots campaign, and the March of Dimes Hold-up were projects the group was involved in. The Wayne Staecker Memorial Scholarship was awarded. With all this work, they still found time for a Student Council party featuring movies and pizza. The 1973-74 Student Council was led by Robert Jeffress, Cathy Lankford, Wilson Calhoun, Kim Braziller, and Ken Menges.

The YMCA'ers were busy during the summer. The Menogyn trip, which was a canoe trip in the Canadian wilds, was very successful and will be repeated in '74.

Our Y went to Mexico a few summers ago on an exchange program and the return trip by the Mexican students fell in late August. Council members scrambled to find houses and plan entertainment for the students, who left a week later tired but happy.

As the school year began, so did the annual Grady Spruce retreat with lots of water, sun and fun.

These clubbers

had three major service projects.

In the fall they painted the Indian Bureau

projects, there

were the individual club service projects and money making

projects. Football games

for the guys, and basketball for both guys and gals filled

the sports calendar.

Long hot bus rides,

Other activities included

The Pan American Student Forum began this year with a kidnap breakfast. A rousing victory over the French club at the Annual Powder Puff Game, where President Clay Crawford was crowned Homecoming King, swept

PASF

on into the busy fall. Tickets for the car wash were being sold and work on the float began. After many hours of toil, the Spanish-AFS-French Clubs' float won second place. The \$400 made at the car wash was tucked away to be sent to the seven orphans in Peru who PASF has supported for 7 years. Meetings were held every other Monday with a district meeting each month. Mardi Gras was celebrated with helium balloons, and the money was donated to charities at the state convention in March. The new officers were installed at the spring fiesta which ended the year.

"Funny how Santa looks like David Moynihan," laughs Clay Crawford.

Girls' Service League, Chapter I lived up to its goal of serving the school and the community. They visited the people at Crestview, Silver Leaves and Meadowgreen Nursing Homes and at the Juliet Fowler Children's Home. At Thanksgiving, the girls made tray favors for patients in Richardson General Hospital. At school,

GSL I

sponsored Custodial Appreciation Day and prepared a luncheon for the basketball team. With GSL II, they sold spirit links, spirit balloons, carnations, telegrams and Sock Hop tickets. Additional money was earned by the sale of book covers. GSL I joined GSL II in giving a party for girls new to Richardson

and the reunion tea. They went with GSL II and Key Club to Denton State. In addition to building a Homecoming float, GSL I members became clowns in the parade. With all this work, they still found time to get together at a Christmas party, a slumber party and a buffet dinner.

LeeAnn Wade and Jill Jeanes worry about conflicting commitments.

Caught in the act are Gretchen Heemann and Peggy Hawk.

The members of Girls' Service League, Chapter II were very involved this year. Many times during the year, they gave parties for the kids at the Ann Dalton-JFK Home, the Emergency Shelter and Scottish Rite Hospital. The girls played bingo with the residents of Crestview and collected canned goods at Thanksgiving. The Ann Dalton Easter egg hunt and the Christmas party with GSL I and Key Club at Denton State were special events.

GSL II

worked with GSL I selling spirit links for spirit week and carnations and telegrams for Valentine's Day. The Sock Hop Twirp Dance was a huge success! Initiation, Big-Little Sister relationships, work on the float and those fantastic dinner parties gave the girls the opportunity to really know each other. GSL is more than just a group of girls; it is a group of friends.

The year began with the induction of new members. To earn money, first aid kits and key links were sold. Participating in both the Diabetes Bike-A-Thon and Walk-A-Thon, members found time to make a Homecoming float and travel to Denton State with GSL. The Key Club took part in the district convention and then went to San Antonio for the regional convention. Feb. 9 was the Key Club Prom, "A Time for Us," at the Fairmont. In addition, they attended rock and mineral shows in Dallas and Arlington. The club traveled to Glen Rose, Texas, on a major field trip.

Field trips to the Wadley Blood Bank and Southwestern Medical School were activities of the

Science Club.

They also participated in the Arlington Science and Math symposium and their volleyball team was entered in intramural competition. A speaker from Southern Methodist University spoke to them on the use of solar energy.

Unknown to some, the

Concert Band

participated in all football half-times with the Eagle band. In addition, they combined with the Eagle band in the UIL marching contest. For the first time ever, the Concert Band traveled to Corpus Christi with the Symphonic Band. There, they were the first RISD concert band to be awarded a first division rating. Participating at the UIL concert contest, the Concert Band earned first division ratings from all six judges. The "Special Award" trophy is given to bands earning a first division in both concert and sightreading.

Combining their talents with the choir, the

orchestra

presented **The Mikado**. In November, 23 members were selected for the all-region orchestra and ten went on to the all-state orchestra. Meeting a busy schedule, the orchestra gave several concerts, and a string section performed for the Richardson Civic Art Association. Their long hours of practice paid off in the form of 30 first division medals awarded to members at the UIL solo and ensemble contest. The orchestra was invited to play for a congressional dinner-benefit and in a concert in Houston. Participating in a spring UIL orchestra contest, they were presented the coveted sweepstakes awards at a banquet. Through their hard work, the orchestra was selected as the most outstanding orchestra in Texas by the Texas Music Education Association.

Along with playing at all the football games, the

kept busy with the new Dixieland shows, the Regional Airport Dedication, and several concerts.

Cathy Livings was named Band Sweetheart at the Plano game. In September, the band provided half-time entertainment for a Cowboy game. This was a busy month, as the band also participated in **The Mikado**. Superior ratings were awarded to the band in both the spring and fall UIL contests. Individual members participating in the Solo and Ensemble Contest went on to state competition. The band also played in two All Region concerts. Despite an active schedule, the band was able to attend a spring contest in Corpus Christi where they captured superior ratings and Honorable Mention.

The band was assisted by majorettes Judy Holloway (head), Deb Lemen, Christi Ballard, Kathy McCormick, Susan Bellah and Shari Lamb. The band was led by drum majors Chris Eberspacher and Doug Novak; alternate drum major was John Bellinger.

Contrary to popular belief, the

Eaglettes

are more than smiles and high kicks. This close-knit group of girls not only performed at football and basketball games and pep rallies, but captured first and fifth place trophies at SMU summer camp.

The officers travelled to Houston to attend the Golden Gulf Drill Team Camp and received more awards. During the year, the girls practiced during first period and before and after school somehow finding time to decorate houses, make toys, sell spirit ribbons, and perform at conventions.

The Eaglettes were especially honored when they were invited to perform at a Cowboy football game at Texas Stadium.

Long hours of hard work went into the presentation of the revue, "All the World's a Stage." The girls grew closer through Big-Little Sis relationships and sharing friendship.

The 29 members of the 1973-74

Annual Staff

came together to become a single unit. At the beginning of the year, the staffers demonstrated their sales techniques as they went out to solicit advertising from area merchants. The class was divided into sections

which were made responsible for a certain part of the book. Supplies of grease pencils, layout sheets, quad-paks, photos, croppers, etc. were kept in boxes creatively decorated

by each section. As the sections worked and talked together, they became really involved

in the 1974 *Eagle*, and some close friendships were formed.

This group was expected to be aware of everything going on that was connected with RHS and its people, so the year would be covered completely.

Being spread out in three different classes created a communication problem for the 19 staff members. But despite these difficulties, the

Talon

did come out. An IBM composer was used on the first two issues, so that the staff could set its own copy. The paper was in offset printing and came out once a month with 9 issues this year. This is the first year the staff set its own headlines, and they also increased the amount of advertising. The headline style was changed to informal and the masthead alternated each issue. The staff is made up of the second-year journalism students. The students put the paper out totally the first semester and had help from first-year journalism students during the second semester. Miss Sarah Scott, sponsor for the paper, suffered many headaches but is still smiling.

The American Field Service is a national organization working through the school and community to bring people an understanding of foreign cultures and to promote peace. Although the Richardson chapter had trouble generating enthusiasm, students kept the club active. Susan Morshed from Tehran, Iran, was the exchange student this year. Danny Green, an AFS returnee from South Africa, and Susan spoke to various organizations and presented a slide show during Open House. In September, the club had an International Progressive Dinner.

The Future Teachers of America became active again this year with Mrs. Dot Tinnin and Mrs. Ruth Johnson as sponsors. The 9 members went to the district convention in Waxahachie where Kevin Chrysler was voted Mr. FTA for the district. The state convention was in Dallas and Dawn Foster, president of the RHS chapter, won the office of state recording secretary. Three

FTA

members, Brian Sullivan, Elaine Rundle and Cathy Tone, tutored at Dobie Elementary School. The club's motto was "Caring: our commitment to the future."

"Is that recipe really that good?" Leigh Ann Johnson asks Robin Lynch.

With a common interest in homemaking the Future Homemakers of America met one morning and one night every month with a different girl planning the program each time. At the beginning of the year, "Big Sisters" introduced new members to the club.

The girls had a breakfast and a get-acquainted party where they made peanut brittle for the principals. In the Homecoming parade,

FHA

members masqueraded as fruits and vegetables. Five members went to the area convention in Ft. Worth and four others attended the state FHA convention in Dallas. The girls celebrated National FHA Week by hanging posters at school and making cookies for the teachers. They also presented their sponsors, all the homemaking department teachers, with dozens of red and white carnations. They made money by selling homemade cookies.

chapters in our school. The students involved attend one class period a day related to their job, for which they receive two credits. In addition, the students are placed in jobs relating to their interests, and each supervisor grades his employee. Mr. Jim Christie, Mrs. Mary Etta Nader and Mr. Bob Ramsey head up the program. New areas of DE, such as fashion merchandising and banking finance are developing.

Behind all the spirit and smiles is a lot
of hard work. Yet all
nine girls agree that the rewards are well worth
it. For example, they captured the Coca-Cola
award, four superior ribbons and
brought the spirit stick home again
from SMU Summer Camp.

After winning first
place in

last year, the

JCL

traveled to the National
Convention held
in California last summer
where they captured
second place. They
won first in
State again this year,
making it the
second year in a
row. Hopes are high
for Nationals,
which will be

New Hampshire this
August. The 60 members
had bake sales, sold

participated in market

A kidnap breakfast initiated new
members. Saturnalia at Christmas, a spaghetti
dinner celebrating Virgil's 2043rd
birthday and a Tough Luck Supper
were highlights

for the club. For the first time,
JCL entered a float in the
Homecoming parade. A lot of
hard work won them fourth place.

And, who could forget the
annual football game where
JCL killed the German Club.

"I wonder where everybody is," ponders David Hardy, president of the Latin club, as Mrs. Jo Roberts looks on.

"Fein" shot, David!

"But convention's the same date as Carousel," protests Duane King as Chris Olsen and Mrs. Roberts look on.

"Der Schnapps und der Snacks — bet you can't say that backwards!" says Paul Bruton.

"You dropped it on the rug!" exclaims Lisa Knowles.

"Yes, we spoke German in Holland, too," explains Martine Esveld to Charis Buckmeir and Philip Muhm.

"Oh, come on, even I can read first year German," says Kelly Green to Carol Wiggins.

Deutscher Verein,
otherwise known as the

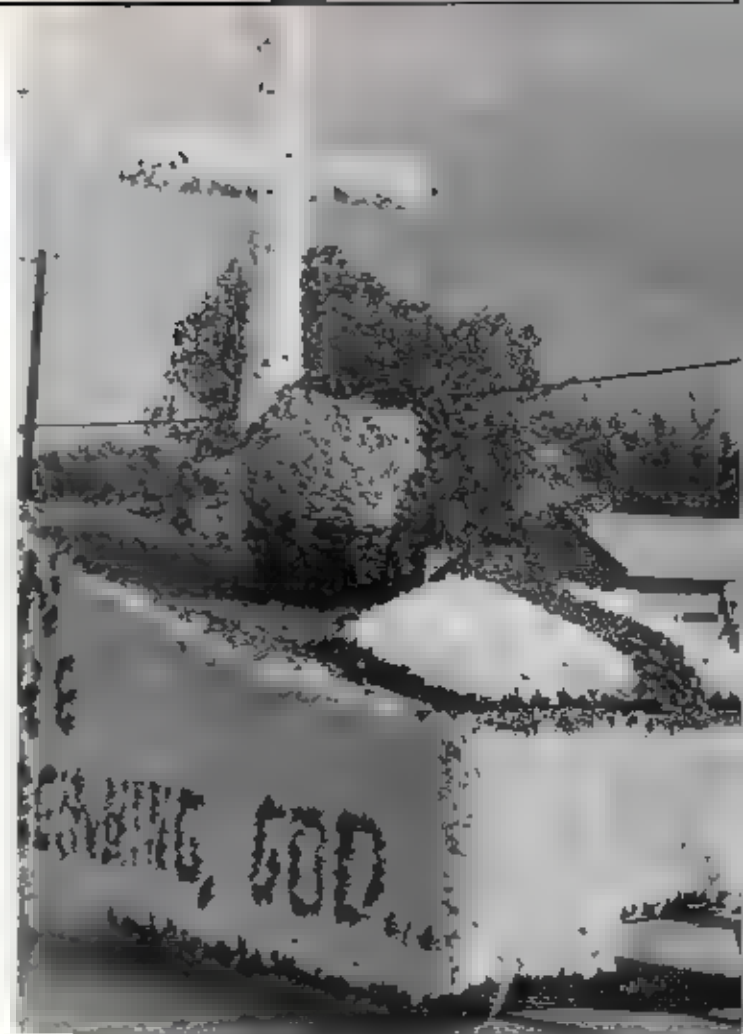

German Club

rode in decorated cars in the Homecoming parade. Popcorn, which was sold in the fall, earned money for the club. A highlight of the year was the Christmas banquet complete with German food and a German play for entertainment. The three winners in the essay contest sponsored by the Texas Association of German Students were members of Deutscher Verein. These three, Liz Schroeder, Annette Weiss and Jonathan Shea, were honored at the convention in April. All members enjoyed a feast at a German restaurant, der Schnapps und der Snacks.

Service projects, including participation in the
Richardson Pitch-In Walk, a Christmas party
for the Bethlehem Center
and an Easter party for the Denton State Home were
all successful. These girls provided
cupcakes for seniors
at the annual Eagle's Nest birthday party.
In March, the girls hosted a tea
held in honor of all RHS service clubs.

Now we see what RHGC really does!

These girls "pitched-in" and helped clean up Richardson.

Winning first place makes it all seem worthwhile.

This year the Fellowship of Christian

Athletes

turned coed as girls involved in athletics formed a new chapter of FCA. Although usually meeting separately for Bible study and fellowship, special speakers such as Fred Conger drew the guys and girls together. Highlights during the year included the Marathon basketball game and the winning Homecoming float put together with a lot of hard work and money from FCA and RHGC. Money-raising projects help send a few members to a summer conference at Estes Park. The girls had a garage sale and sold key chains for their summer plans.

The library assistants check-out and shelve books, sell paperbacks, and help students find books and research materials.

A "favorite" pastime of all the library aids is shelf reading, which is making sure that every book in the library is in its proper place. Behind the scenes, the students help process books by covering and stamping them. The AV boys help teachers with all the audio visual equipment.

"You can smell that hospital smell even in here," says Diana Sadler.

Students interested in the field of medicine got together at

Paramedical

club meetings. They met at Richardson General Hospital and had programs on medical technology, radiology, artificial respiration, nursing and dentistry. The club grew in size this year and became more active. They had parties, built an entry for the Homecoming parade and had a canned food drive. Twelve members joined a training program for Amigos de las Americas, an organization which sends students to Latin America to give immunizations. These "amigos" worked hard all spring to make money for the expedition. Paramedical held a tent sale which raised \$780. The "amigos" went to classes every week to learn to give medical assistance and to speak Spanish.

"This prize was for our most devoted member, who didn't even show up tonight!" sighs Jim Coles.

Paramedical entered a ringier of a float in the Homecoming parade.

Carol Dawson brings some pretty flowers and her smile to brighten a patient's day.

"They expect me to do all this?" asks Claire Wintermote.

Meetings were once a month for the forty girls in the Richardson area who volunteered to be

Candystripers.

Approximately half of these girls attend RHS. New members were accepted in June, October and January. During the year the girls had parties together and kept a scrapbook. At the 1973 Candystriper Convention, the scrapbook took first place in the State. The Candystripers sponsored tasting bees and sold candy canes at Christmas time to raise money to take them to the Candystriper Convention during the summer. The girls volunteer their time to work at Richardson General Hospital. Their duties include running errands for the nurses and using their cheerful dispositions and willingness to help to make the patients as comfortable as possible.

"Are we affirmative or negative in this debate?" asks Ken Menges as Dan Pheips checks.

"Resolved: That the federal government should guarantee a minimum annual income for each family unit" and "Resolved" That the federal government should provide a program for the employment of all employable U.S. citizens living in poverty" were the topics debated by the 12 members of the

Debate Club.

The first year in several years that RHS had a debate squad proved a success with the group capturing 16 awards in 10 tournaments. In April at UIL District Competition Jon Stuart and Steve Collins placed second in standard debate. Then, May 10-11 the club held a tourney at RHS. Through fund-raising activities the group planned to award SMU Debate Institute Scholarships to outstanding debaters. Plans for next year include joining National Forensic League.

Steve Collins fakes his way through another debate.

These talented warbirds inspired the Eagles to a 9-1 season. It was a hard fought battle with many highpoints and pitfalls. Richard Arledge was a definite factor in the Eagle victories. He blocked five punts, trapped opposing passers five times, recovered three fumbles and intercepted one pass. On offense, he caught 15 passes for 195 yards and three touchdowns. Tommy Thompson led the Eagles in rushing with 121 carries for 709 yards and four touchdowns. Scoring three times, Kent Belaire followed with 82 carries for 289 yards. Joel Wittenbraker, in addition to passing, rushed for 255 yards in 63 carries and two touchdowns. He completed 56 of his 109 pass attempts for 718 yards. Jay Nickell trapped opposing passers four times, recovered two fumbles and had one interception. Mark Embler hit 12 of 18 field goals.

must become special units that fit together as one
 team. Each player must sacrifice time and effort in
 order to function at his top physical and mental
 condition. The player disciplines his life style
 according to the game. He keeps a watchful eye on
 his diet. He must arrange his thinking from one to
 a team of one, realizing the strengths and
 weaknesses of his teammates. The player's

 the players function as one, the players must be

Victor Smith baffles opponent with his jumping ability.

The Cagers launched their

1974 season

with an assortment of talents including 6 returning lettermen, 6 former B Team stars and 1 sophomore. Even with individual talent, actual court experience as a team is still needed to produce an invincible Eagle machine. During pre-season the Eagles won 50% of their games, but failed to win any 2 consecutive games. In the opening district games, team work was sometimes missing as players tried to prove themselves on an individual basis. Although the group hustled to win 11 of 14 games, a little more Eagle team effort might have cost Sherman the district title instead of RHS.

"You remember the secret weapon I was telling you about, well . . ."

The Eagles are obviously winning this one. Huh fellows?

Bob Hoebeke. Bryan Holland. Stan McMillion.
Victor Smith. Mike Lovvorn. Five young
men dedicated to the sport of basketball. They
were the

leading scorers

in an 11-3 season. Combined, their efforts
averaged 56.3 points per game. This accounted
for 79.6% of the Eagles' total scoring.
They helped their team to defeat everyone but
Sherman (twice) and Greenville. All in
all, it was a good season, and there's no
question about it, the talent was there . . .

Hey, Frog, looks like Hoebeke's giving you some competition!

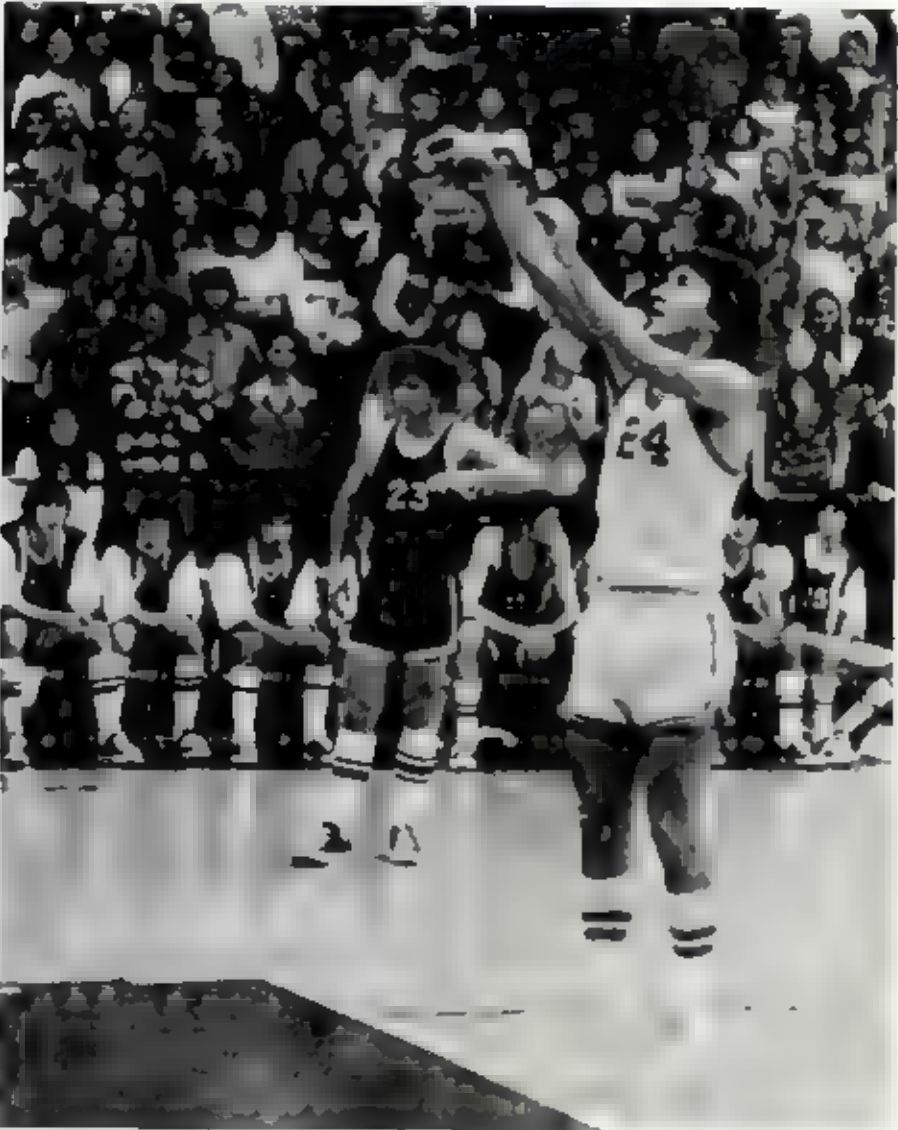

The Animal passes over the opposition to Craig Nedrow.

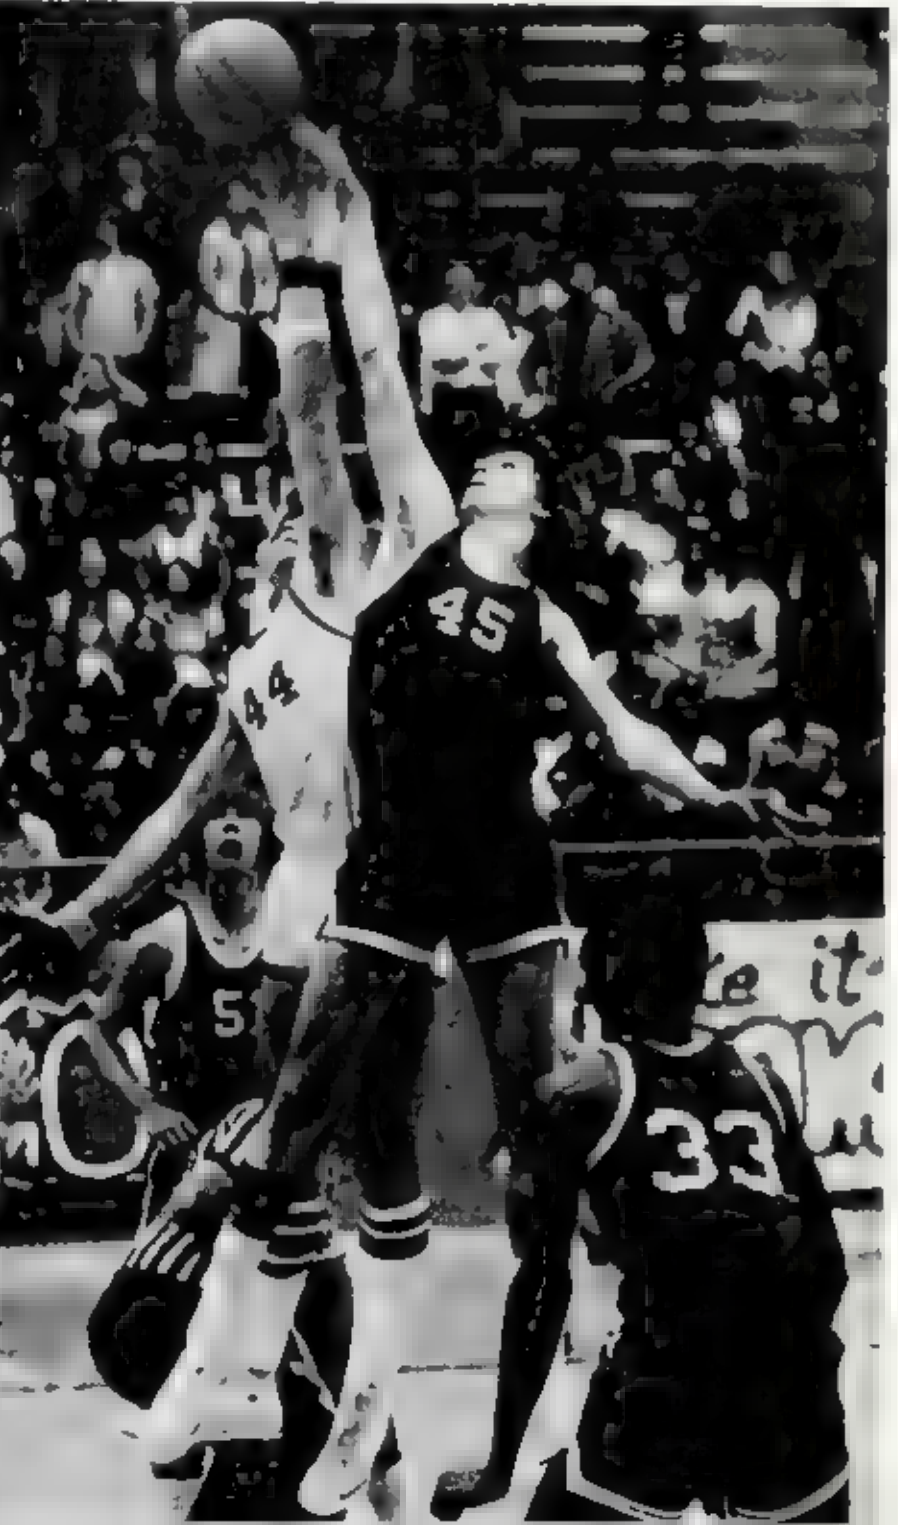

Bob Hoebeke always managed to jump a little higher, except
against Sherman, when the Eagles lost.

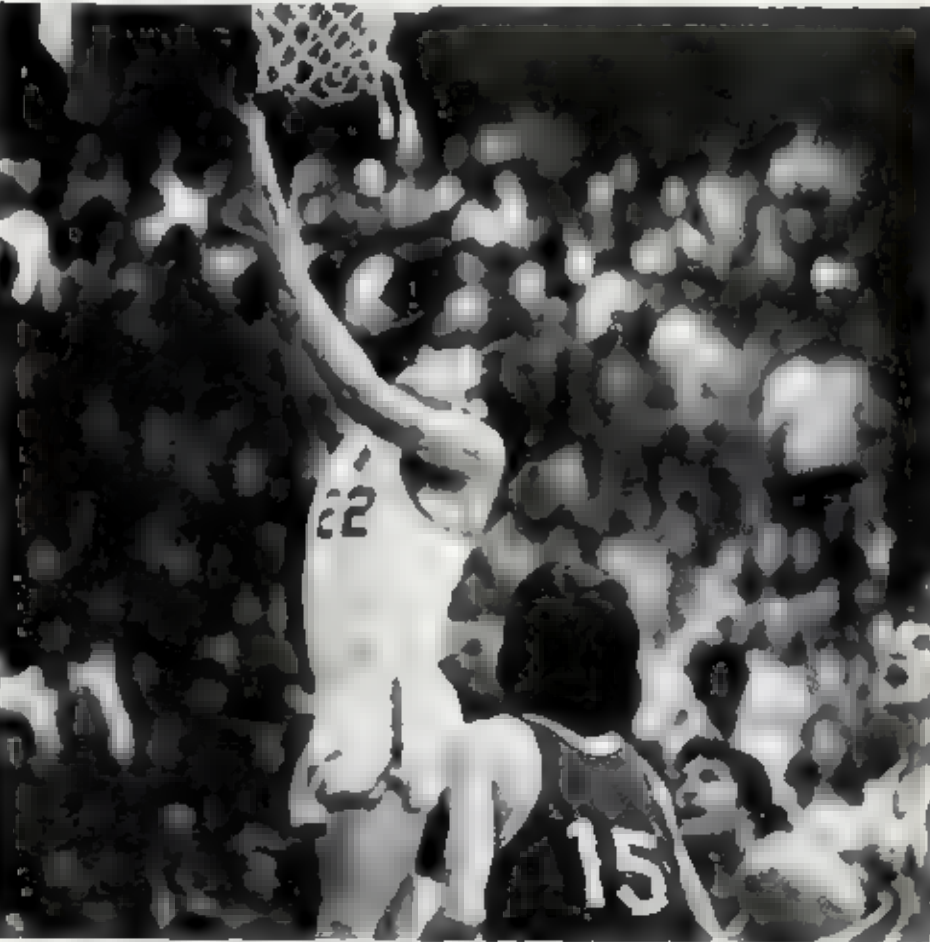

"I sure put that one through. Ribbit," exclaims "Froggy" Lovvorn.

Bob Hoebeke goes up and over to tip the game in the Eagles' favor.

Victor-y!

Stan McMillion had 127 points.

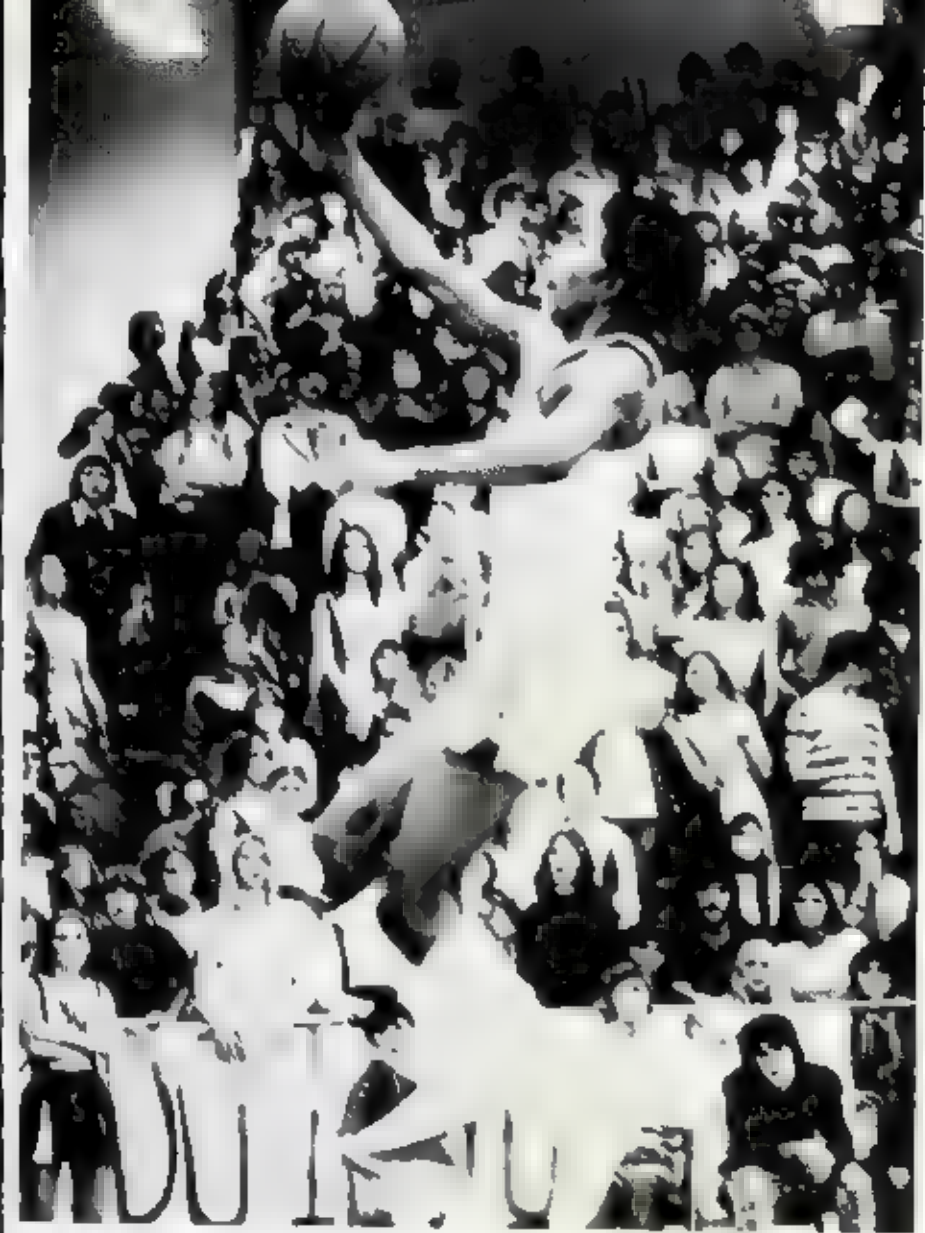

Stop Bob Hoebeke? You must be kidding.

Bryan Holland had his moments.

Spirit? The Eagles have it. Even the jocks cheer on the Cagers.

Mitchell Stein sees "two" coming his way.

Mike "Frog" Lovvorn "dribits" around the defender.

The Day of the Eagle.

Bob Hoebeke has to go up high to shoot over the defender

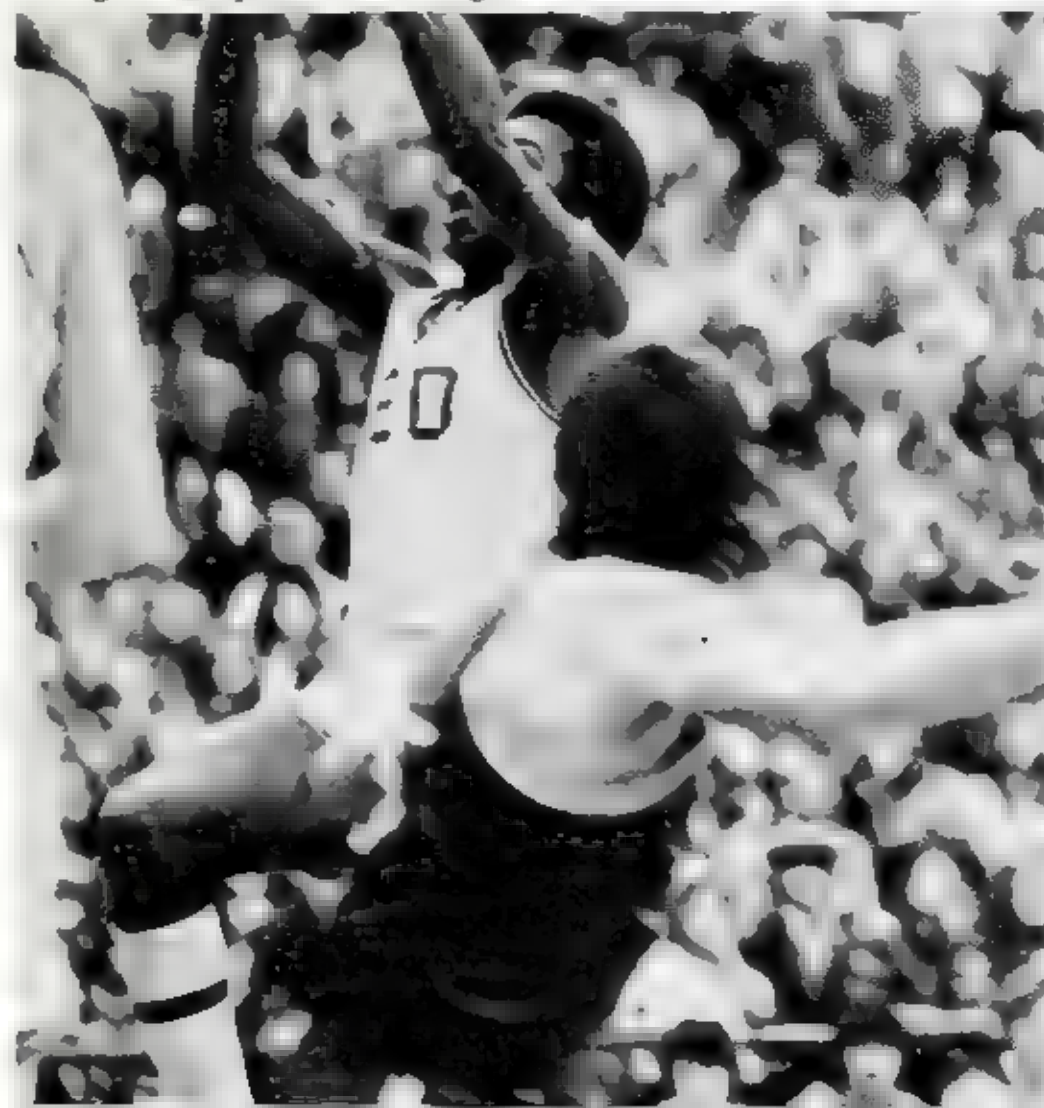

The Paris defenders are astounded at the height of Tolard Everett's shot.

The agony of basketball. Greg Hubbard has to grin and bear it.

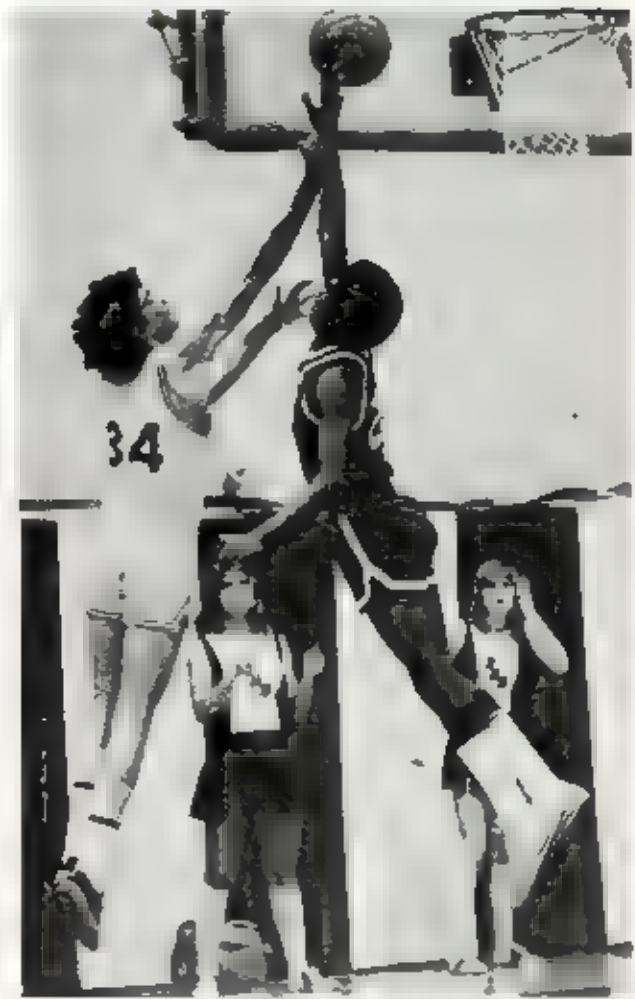

A frightened Pearce defender hurriedly backs off as Victor Smith puts through 2 more points for the Eagles.

The stress and strain of basketball is evident . . . or is this ballet?

Stretch up an' block ole 34, Victor.

You aren't doing too well, are you, 34?

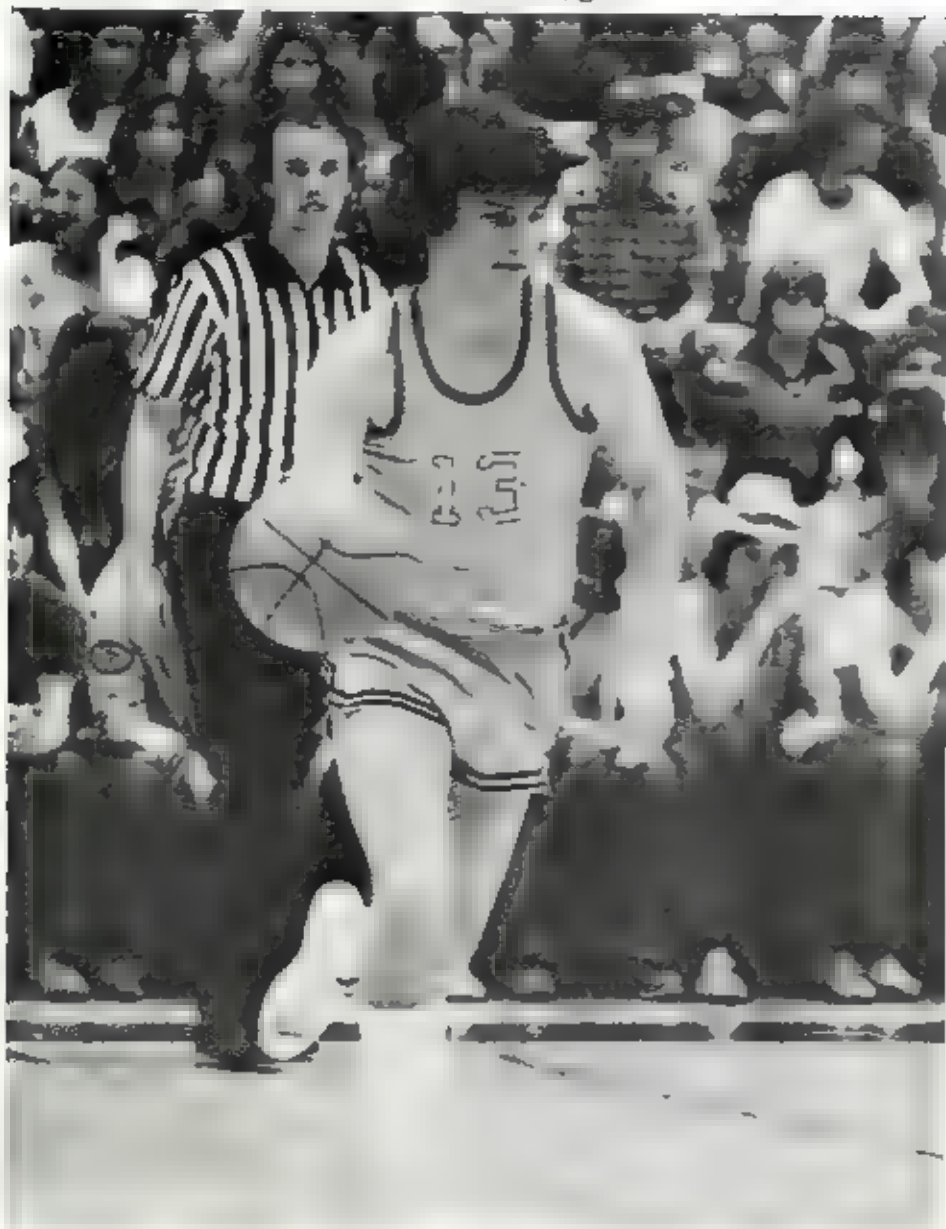

The 1974 Golden Eagle Varsity Basketball Team fell just short of district this year, but should be proud of their 11-3 record. The talent of the individuals was stupendous. This was Bob Hoebeke's first year on the varsity squad, and he became the top scorer and rebounder. Few people realize the physical demands on a basketball player. It is an extremely tiring sport requiring top physical shape. The young men on this squad had to

stretch

to their utmost capabilities to keep up with the pace, and did it remarkably well. This is their last year in District 13-AAAA, and next year holds new challenges which the Eagles can meet and overcome with teamwork.

Thirteen's supposed to be bad luck. Huh, girls?

Coach Cook frantically calls time out.

The B-Team Cagers went to a 9-5 season under rookie Coach Cook. Though they lost to Sherman twice, Lake Highlands, Greenville and Pearce, they still outscored their opponents

897 to 799.

The leading scorer was Lance Jagmin, who had 220 points. He was followed by Ricky Williams, with 131 points, Ray Smith, with 99, Steve Ibarguen, with 79, and Steve Hailstone, with 72. Experience told the tale, and next year looks promising.

Lance Jagmin goes up for 2 of his 220 points.

The 1973-74 Eagle

Cross Country

Team was victorious in winning the district championship. This was the first time ever for district competition. Placing high for the Eagles in the district two-mile run were Capt. David Frank, first place (9:45); Tim Lodwick, third place (10:01); and Bob Kennedy, fourth place (10:03). Frank's time was one of the best times in the state.

The Eagles went on to Regionals but placed fourth. It was a bad day for the Eagle runners; two almost passed out and one fell.

The cross country season runs from August to December. There is much hard work a devoted runner has to do. An average workout consists of 10-20 miles per day, but only a two or three-mile run in competition.

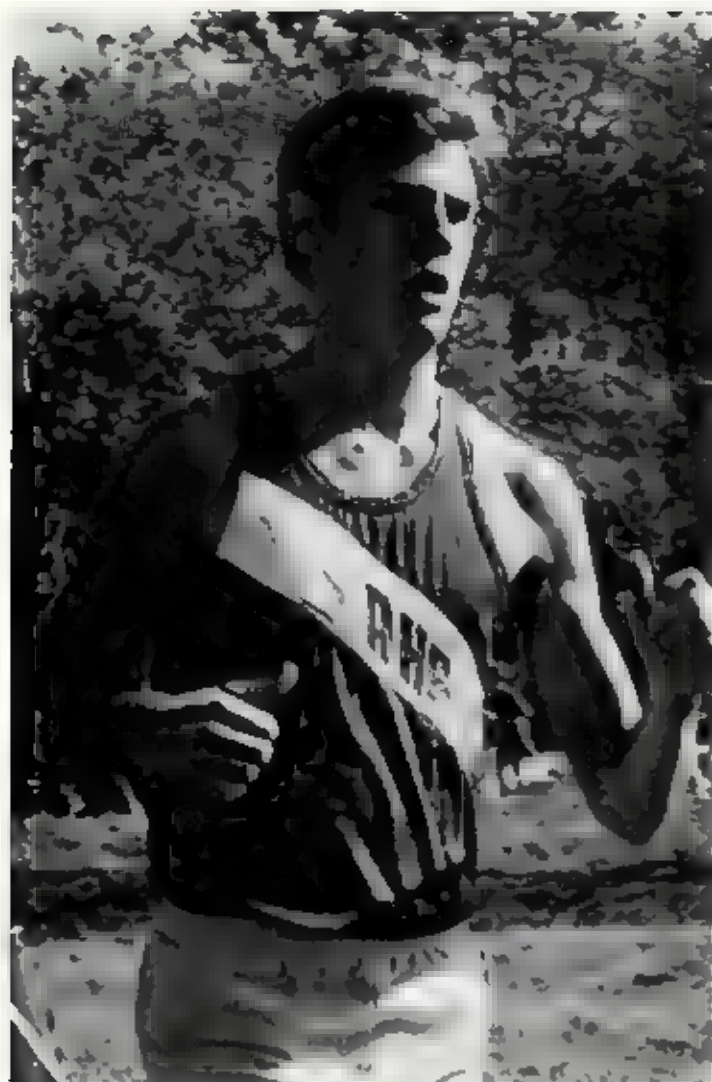

David Frank places first in a two-mile trek.

Greg Mooty moves the ball downfield for another Eagle goal.

Rubin Hernandez prepares to block the defender's kick.

Coach Jim Benedek ponders an important point.

The RHS Soccer Team ended their regular season with a 10-0-0 record. They had a superb defense, consisting mainly of Rubin Hernandez, Jay Carroll and Toby Ball. With assistance from halfbacks Jeff Woods, Corky Wedell and Anthony Mungoli, these young men almost always kept the ball from getting close to the goal. The Eagles shut out their opponents 10 of 14 times, proving Gary Mork an excellent goalkeeper. With Guy Newman leading the scoring, they closed the season with a 13-1-0 record. Losing only to Carter, they were the Northern Conference

champions.

The sport of

soccer

is one of the most physically demanding in the world. Though it is just as exciting as football, it has not become popular in the U.S. until recent years. Even so, most of the members of the RHS Soccer Team have been involved in soccer since they were very young. With a deep devotion to the sport, these young men put together an effort that was not defeated until they met Carter in the semi-finals for State.

Front Row: Tod Copeland, Mike Drewry, Tony Click, Jimmy Knox, David Brock, Robin Phillips, Rob Wagner; **2nd Row:** Coach Bill Jeffries, Gil Guillaume, Steve Turner, Mike Nedrow, Mark Gannoway, Roger Martin, Marshall Bolin. **Not Shown:** David Goskin, Mark Godich.

The Varsity golfers had a very successful season, taking the district title for the third straight year. The squad consisted of the top five players: Gil Guillaume, Mike Nedrow, Mark Gannoway, Roger Martin and Steve Turner. They bettered Sherman by six strokes with a 640 total. They traveled to Denton for regionals, but finished eighth. The Junior Varsity

golfers

also finished first in district with a 664, the closest threat being about 25 strokes away. Their squad included Tony Click, David Brock, Robin Phillips, Mark Godich, and Mike Drewry.

Georgia Evans adds a magic touch to the ball.

Under the direction of a totally new staff, the

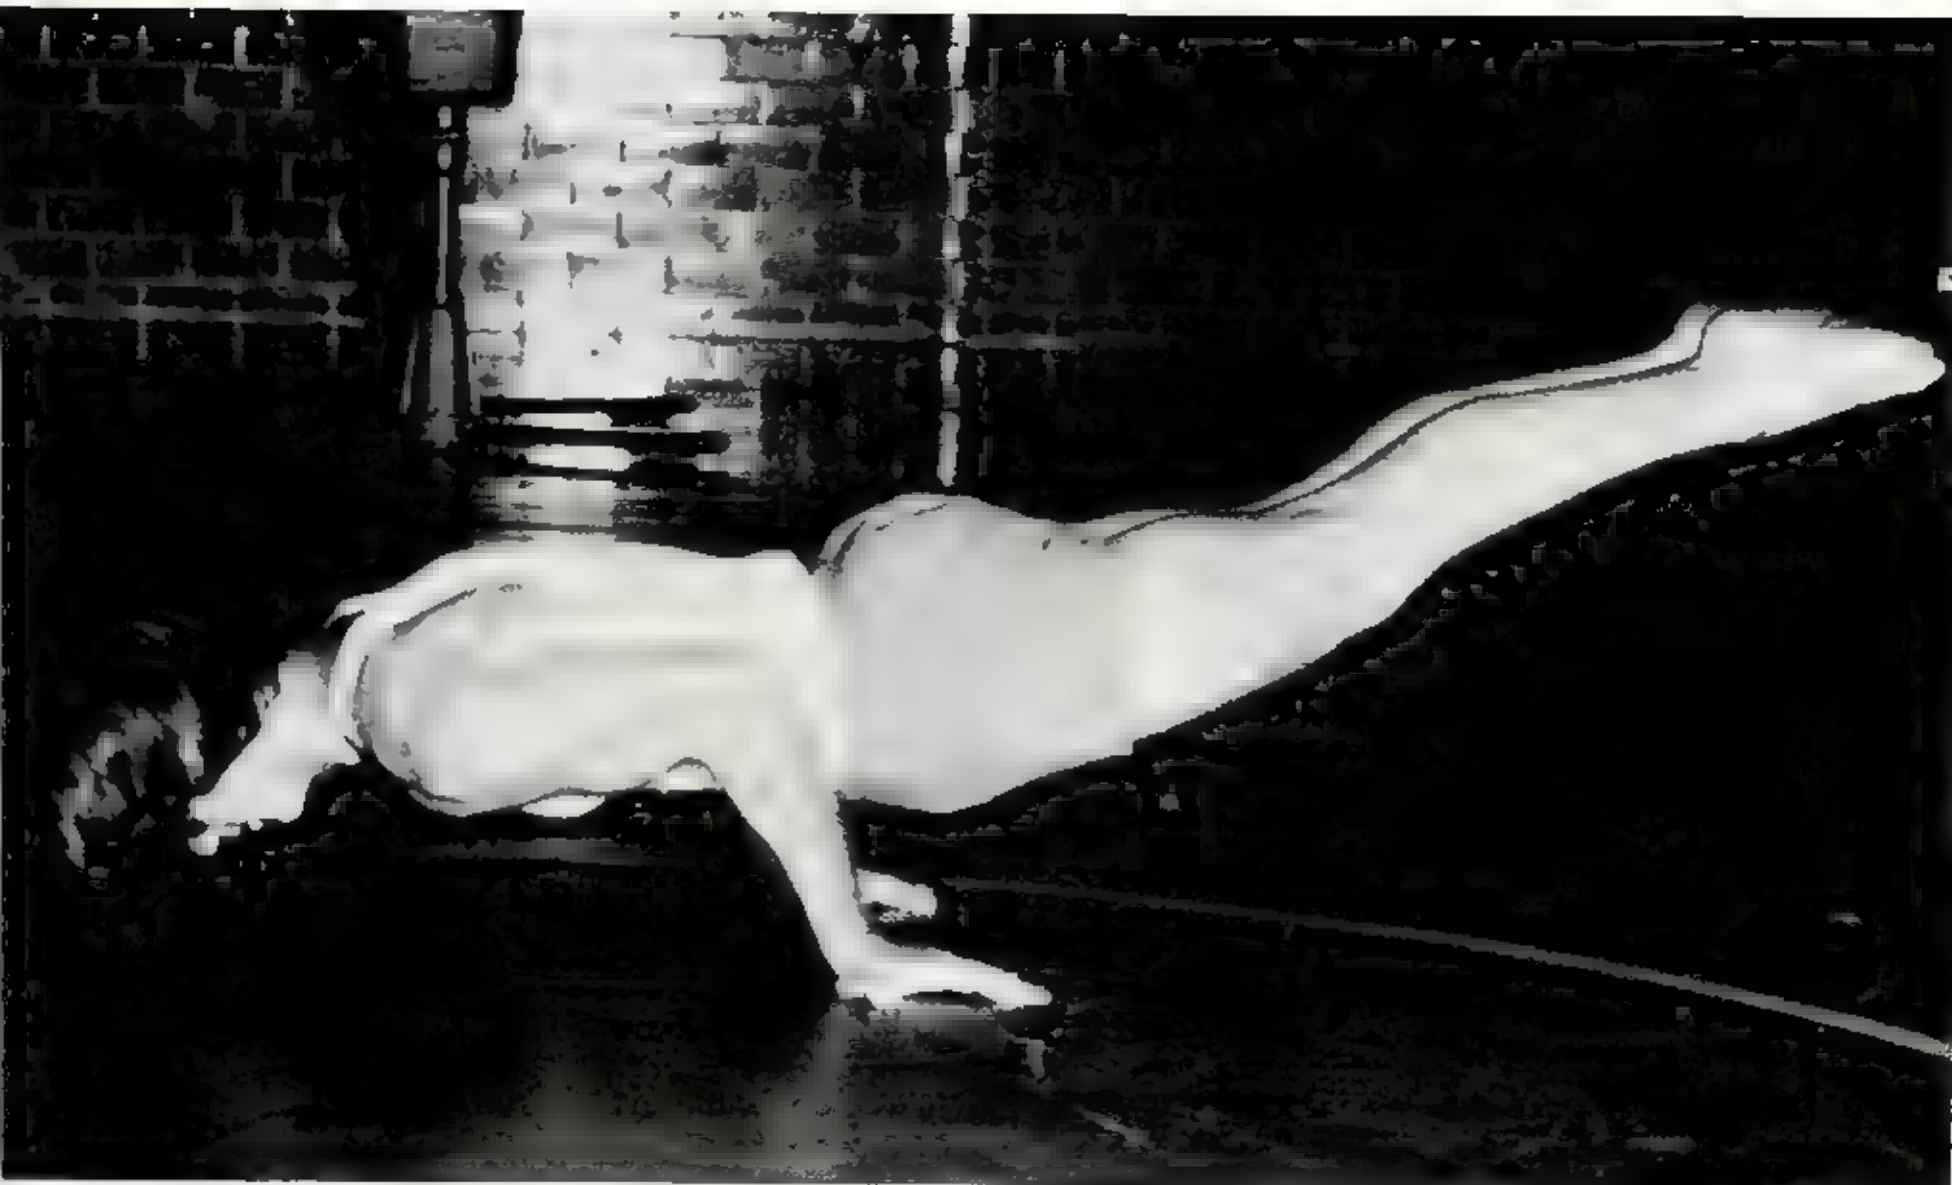

Intramural

program at RHS was a fairly big success. Activities offered included flag football, basketball, volleyball, tennis and gymnastics. The Rebels were the victors in flag football, and the Lips captured first place in boys' basketball. In the girls' division of basketball the Eaglette-Cheerleader team won first place. Unlike the boys, the girls had an All-Star team in basketball that played other high schools.

They finished second in district. In volleyball, the Thunderducks finished first. The gymnastic team won first place in district competition with the help of student coach Chuck Cerny. In tennis, Georgia Evans was outstanding girl in singles and Jeff Ramsey outstanding boy. Winners of doubles were Max Buckwald and George Brewer.

Everyone waits anxiously for the outcome of the free throw.

The 1973-74

Tennis

team got off to a shaky start this year, however it did produce some fine players. The team did play in many tournaments this year, but they came in fifth in district and won a few interschool matches. At the Wichita Falls tourney, Mary Bukaty made it to semi-finals. She was also the number one girls singles player. Bill Scanlon, who ranks nationally, was ineligible for district competition because of a match he played in in New York. The leading singles for RHS at district was Rocky Berg; and Tom Ingram and Pat Mallory made it to the semi-finals and ended up as top doubles for the year at RHS. Mr. McKean started out as tennis coach, but stepped down and Mr. Craig Halliday took the job.

"B" Team

Coached by Joe Champion, the 1974 finished the season with a 9-4 record. They lost twice to both Lake Highlands and Pearce, but beat Pearce once. The team went with several pitchers, the main ones being Steve Ibarguen, George Priest, and Greg Hunter. The leading hitters were Gary Jarosz and Greg Reynolds. Jarosz came up with a .467 batting average at the end of the season, and Reynolds had a .462 average. Some "B" Team members will be joining the Varsity squad next year.

The 1974 Eagle Baseball season was a disappointing one. Their win-loss record was 6-8 after losing to Pearce 3-2 the last game of the season. Throughout the season, Ronnie Birchler was the leading hitter with a .318 batting average. Stan McMillion, however, had 11 runs to Birchler's 7. McMillion had a .283 average after 46 at bats, but Birchler had only 22 at bats. Close behind Birchler and McMillion were Robert Thomas with 4 runs and a .280 average; Gregg Harris who had a .278 average and 4 runs; Chris Jagmin with 9 runs and a .264 average; and Joel Wittenbraker who had 8 runs and a .244 average. The team totalled 56 runs for the season, and had a combined batting average of .221. The Eagle pitchers were Craig Nedrow, Tommy Wilson, Tommy Burke and Frank Frey. Tommy Wilson was the only pitcher who had a winning record. He won 2 of 3 games, giving up only 8 earned runs in 33 innings. Craig Nedrow pitched 7 games, winning 3 of them. In 49 innings, he struck out 34 opponents and walked only 11. Tommy Burke lost 2 of the 3 games he pitched, walked 15 opponents and had 12 strikeouts. The highlight of the year was the 3-1 defeat of Pearce. Robert Thomas made 2 spectacular over-the-fence catches and threw in the ball once for Kyle Ogden to tag out another runner. At the All-Sports-Spring Banquet, Thomas received the "Most Hustle" award. Mark Linscott was voted the Most Valuable Player. Coach Bobby Don Hill has his entire pitching staff returning next year and experience will help them improve. The leading hitters, however, are all seniors who are leaving. The only person returning who had better than a .180 average is Gregg Harris.

Ted Kruger placed second in conference in his weight class, as did Steve Zeringue. Joe Vail placed third.

Zeringue and Kruger also went to State, where they placed third and fourth, respectively. Zeringue received the Outstanding Wrestler award, and Kruger received the Outstanding Hustler award. Returning next year will be Robbie Robertson, Ted Kruger, Bill Wells, Bill Hoerth, Marty Fletcher, Jeff Blakey, and Bruce Carrico.

Larry Arnold grapples with his opponent.

Kevin Porter just about has this one wrapped up.

1973-74 VARSITY SWIMMERS: Bottom Row: Greg Carver, Cindy Wood, Terri Rushing, Greg Dalchau, Janet Wilson, Sue Sachau, Margaret English, Joan Monaghan, Bruce Rodgers; 2nd Row: Nancy Perkins (mgr.), Mary Hafford, Sue Berg, Denise Shipman, David Cleek, Jeff Greenwood, Jan Wentworth, Barbara Shindler, Jan Brown, Phil Randazzo, Shelly Scherer (mgr.); 3rd Row: Coach Neil Matzen, Robbie Merino, Mike Mire, Pat McManus, Larry Shaw, Phil Anderson, David Finstrom, Fred Vilbig, Nate Schnitman, Billy Schlupp, Dina Boswell (mgr.); Not Pictured: Pam Zirkelbach.

Denise Shipman displays her effort in the butterfly.

Jeff Greenwood appears to be asking for a little outside help before entering the water.

The 1973-74 season proved to be fairly fruitful for the Eagle

Swimmers.

The varsity boys placed first in Region II competition for the third consecutive year and ended up fifth in state. Greg Carver captured second place in the 100-yard breaststroke at state, as did the 200-yard medley relay team of Mike Mire, Carver, Jeff Greenwood and David Finstrom. The 400-yard freestyle relay team of Larry Shaw, Mire, Greenwood and Frinstrom placed fifth in state. Carver in the 100-yard breaststroke and the medley relay team both have times fast enough to be considered for high school All-American. The varsity girls finished third in Regionals this year. Denise Shipman placed fifth in the 100-yard butterfly at state. The Junior Varsity teams competed in some dual meets with the girls going undefeated. In diving competition, Fred Vilbig placed fourth in Regionals for the highest finish ever by an RHS diver.

Sue Berg pushes forward in a tough Eagle workout.

Nate Schnitman takes off from the starting block in the 200-yard medley relay.

1973-74 JUNIOR VARSITY SWIMMERS: Bottom Row: Mary Ellen Evans, Rudy Garwood, Susan Parker, Gail Brown, Kelly Touchstone, Julie Lawrence; **2nd Row:** Tricia Wilson, Becky Braddock, Linda Lipscomb, Marcia Sadler, Diane Finstrom, Sharon Taylor, Julie Jacobs, Rick Hancock; **3rd Row:** Coach Neil Matzen, Karen Knie, Francois de la Varende, Les Beddoes, David Mask, Ron Harrell, Hal Secker, Robert Young, Lynn Nicholson, Mgr. Dina Boswell.

JV swimmers wait patiently for the homecoming parade to start.

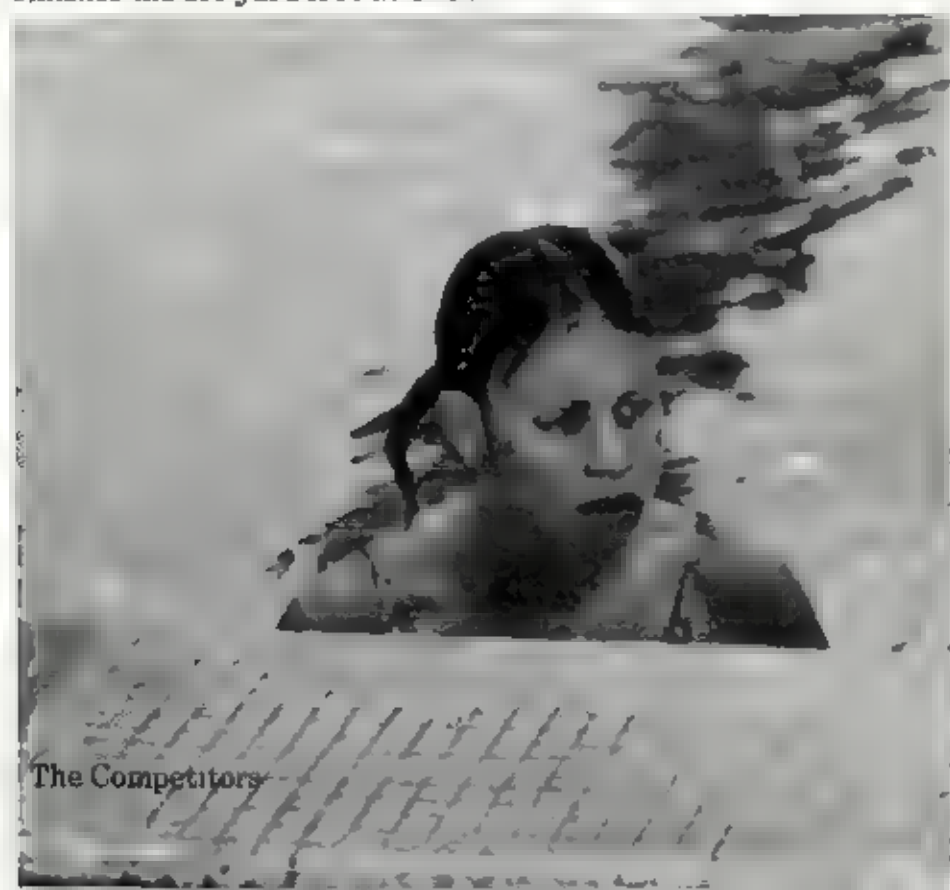

Pam Zirkelbach wonders if it's really worth it all as she finishes the 100 yard free at TISCA.

"Aaa — chooooo!"

Pat McManus sits with his fan club.

Billy Schlupp "gains" some points for the team.

Nate Schnitman shaved his head for the Region II finals so he could slide through the water with no resistance.

Tom Gamble welcomes the backstroke with open arms.

Barbara Shindler demonstrates a somersault in the air.

Barbara Shindler, Billy Schlupp, Mary Hafford, Fred Vilbig, Joan Monaghan, Phil Randazzo, Julie Jacobs . . . The 1973-74 Divers.

The first meet for RHS in Houston was not so hot but the Eagles bounced back next week and overwhelmed their opponents by a margin of 85 points. At the Spruce meet, Mark Scott was high point man with 31 points. Then RHS ventured to North Mesquite to whoop up on them for a while. Gary Plinario won three gold medals. The Eagles pounced on So. Garland for another first place.

The Richardson Invitational rolled around and the 1973 district champs, Greenville, were beaten by the winged warriors.

However, Sammy O'Brien tied a school record in the 100 yard dash with a 9.7 and

Gary Plinario tied the high hurdle record with a 13.9. The last three meets were won with ease.

In the district meet RHS got a clean sweep in the high jump with Steve Hailstone, Mark Scott and Joe Boucher. The

winged warriors

cleaned up in the 120 hurdles with Gary Plinario, Mark Scott and Keith Ashburn. The 330-high hurdles were won by Gary Plinario, David Smith and Mark Scott.

Sammy O'Brien needs only 2¾" to capture the school long jump record of 22'10½".

Winning by a large margin, Bob Kennedy and Jay Mays finish first and second in the 880-yard run.

Could this be Gary Plinario's secret to winning the high and intermediate hurdles in district meet?

Mark Scott "Flops" it over six.

David Rutenbar goes down the runway for a liftoff

This is not really a nude rock singer, it's Jeff Mixon, RHS's district shot put champion.

Bottom Row: Larry Gray, Sammy O'Brien, Jeff Mixon, Rick Synor, Clark Hansen, David Brock, Steve Hailstone, Ronnie Pittman, Jim Beneke; **2nd Row:** Rex Nelson, Russell Cosby, Bob Kennedy, Rondey Callahan, Robby House, Tony Stevenson, Randy Murphy, Larry Ross, Keith Ashburn, Ronnie Thompson; **3rd Row:** Kevin Melnic, Eric Einspurch, Jim Peoples, Tim Lodwick, David Weiss, Robert Trevino, David Frank, Jay Mays, Brian Frank, Chris Wegman, Joe Boucher; **4th Row:** Coach Winston Duke, Russell Hiller, Ed Smith, Gary Plinario, Mark Scott, David Smith, Bill Brown, Coach Nolan Brawley.

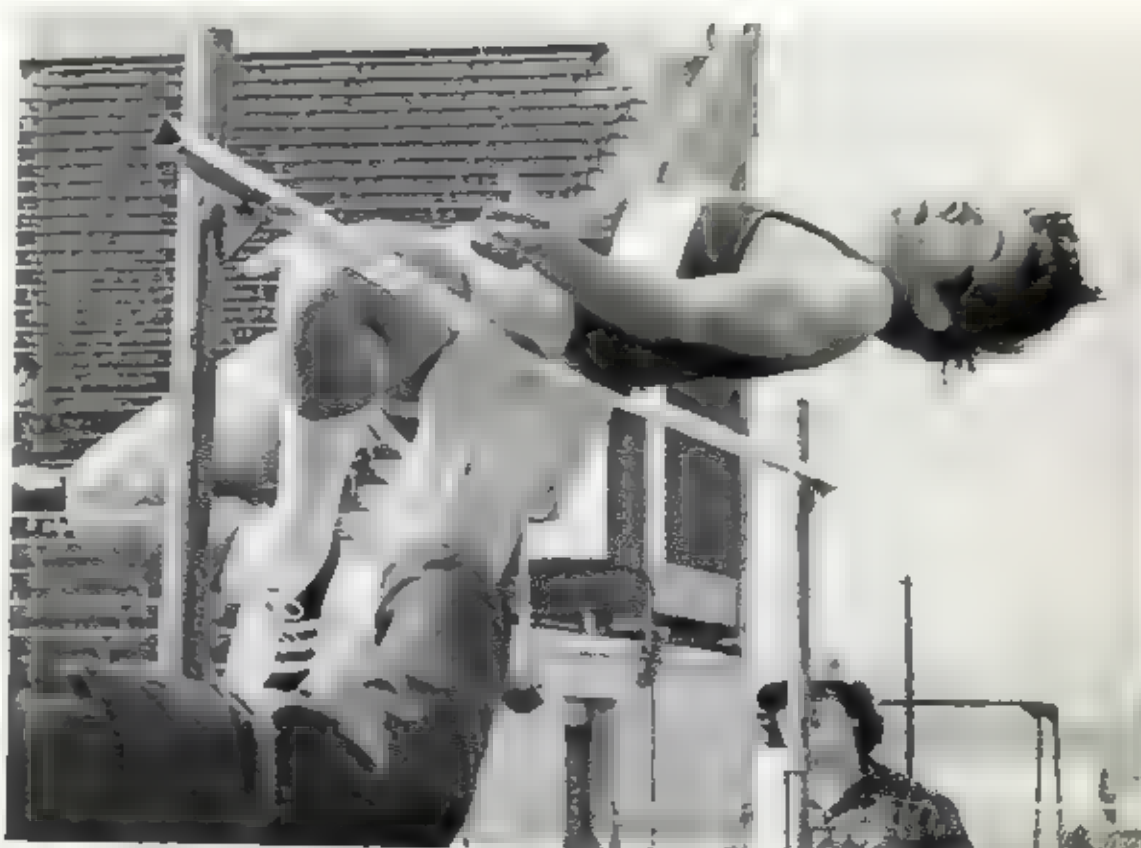

Rex Nelson displays his form and stretches up for a few more inches on the long jump.

Some of the UFOs sited could be one of Jim Beneke's discus throws.

An RHS runner leaves a long trail of Stragglers and runs into a welcoming hand.

The look of horror face exemplifies the urge for points.

This is some of RHS's greatest depth. Hmmm . . . ?

The rebel pair gets serious when the time comes, and Coach Brawley says it's time.

Mark Scott took third place in the district meet with a jump just like this . . .

Distance runners know the final kick can make the difference in winning and losing, ask Chris Wegmann.

Gary Plinario prepares to pass the Greenville anchorman and take first in the 440 relay.

Must be an awfully strong wind to hold up a flag that heavy.

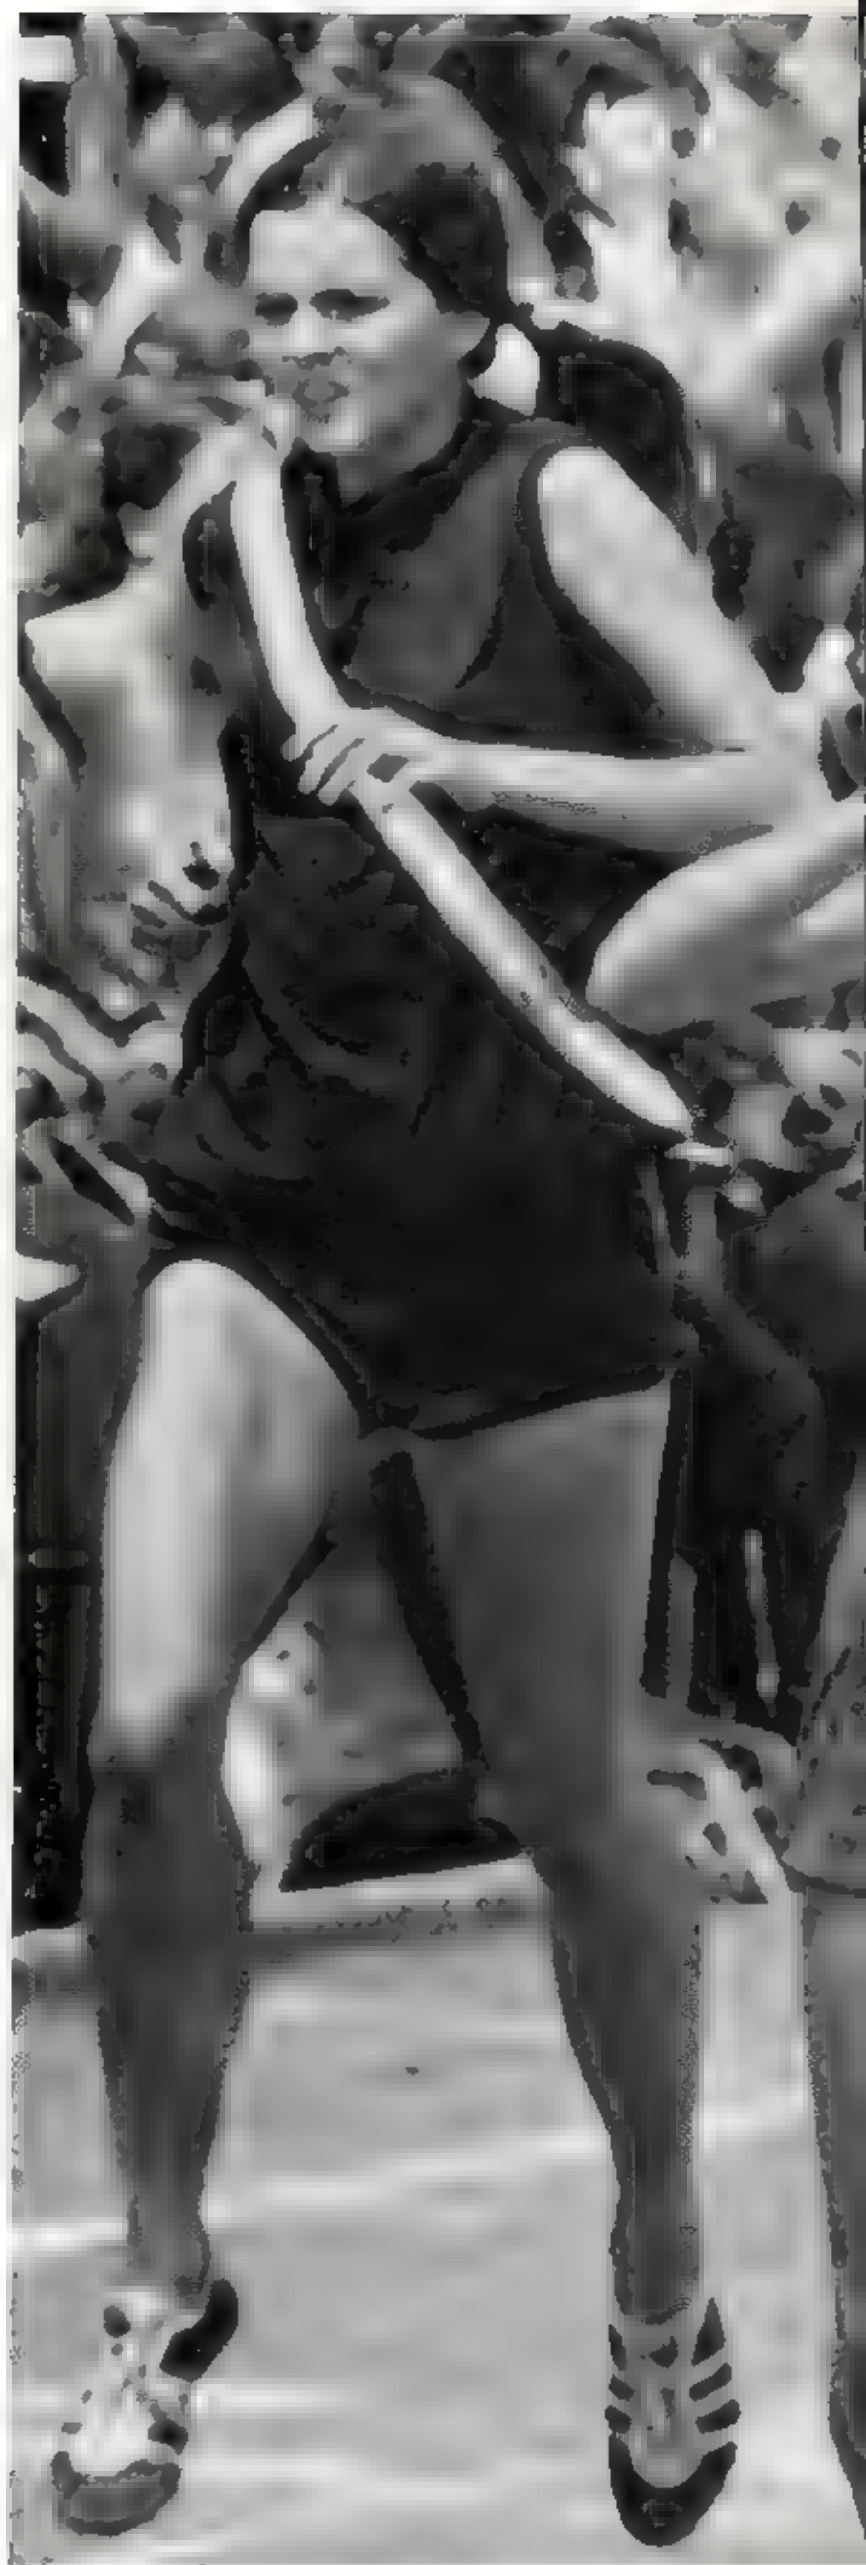

Steve Hailstone was a state qualifier in the high jump. He placed 5th with a jump of 6'7 $\frac{1}{4}$ ".

Marsha Cline takes off for the 100 yard dash.

"Come back, come back, you stole my flashlight!"

Georgia Evans displays the efforts needed to run track and make it to regionals.

cute picture

Front Row: Jenni Kennedy, Marilyn Meadows, Candy Cave, Terry Bentley, Lynn Peters, Emily Lee, Nanci Cook, Lisa Gresham, Mary Kay Wagoner; **2nd Row:** Kate Aitken, Cissy Johnson, Susan Shubzda, Juanita Oellig, Ruth Bryan, Debbie Hayward, Marsha Cline, Kathy Stamper, Debbie Smith, Denise Stefanko; **3rd Row:** Georgia Evans, Stacy Pierson, Alhson Bennett, Debbie Jacobs, Nancy Alkire, Kathy Tansil, Anne Helsley, Sue Barton; **4th Row:** Cathy Hever, Coach Ginger Nicholas and Diane Drekman.

Cissy Johnson shows a determination that makes her relay a winning team.

Susan Shubzda shoots from the starting block in the 440 yard relay.

The beginning of the season was disappointing for the

Girls' Track

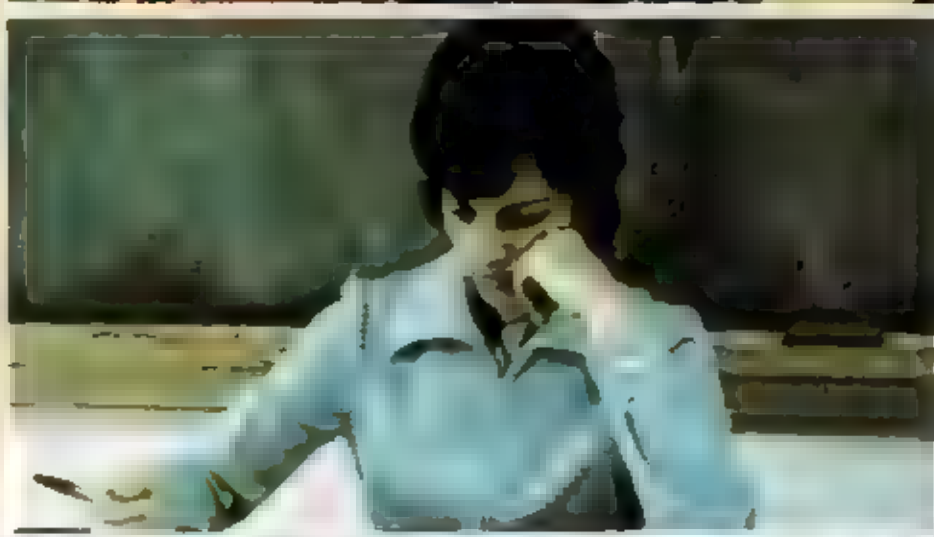

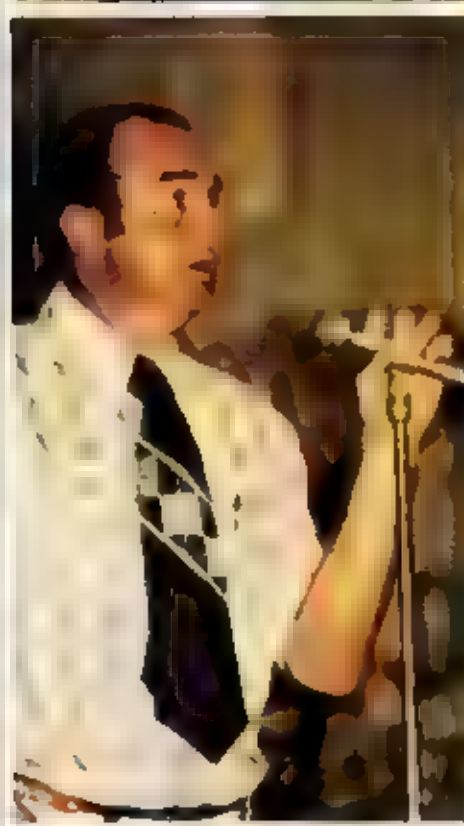

team but district seemed to pay off. The 440-yard relay consisting of Susan Shubzda, Jenni Kennedy, Marsha Cline and Debbie Hayward, placed second. Georgia Evans placed second in the 440-yard dash. Cissy Johnson was third in the 100-yard dash. Marsha Cline brought back a fifth place in the 220-yard dash. The 880 and mile relay teams placed third. Evans advanced to regionals in the 440-yard dash as did the 440-yard relay.

The 1974 annual staff would like to show our appreciation to Miss Julia Darnall for her 30 years of dedication to the Eagle. When she started she was the only advisor for the Eagle but in '64 she became advisor of the business staff. This is her last year in this position although she will continue teaching.

The Educators

We often tend to forget
that teachers have

opinions

all their own
on the values of education
and philosophies on life.
Values vary with the
individual teacher
just as values vary from
student to student. Educators
have worries and fears, too,
for their
decisions
will determine and direct
the lives of the many students
they influence in their daily
contacts
through teaching.

Webster defines
The Educators as;
"Those who provide
and develop
knowledge,
training
or skill
through formal schooling."
Because of this common bond
they are
grouped together as
"The faculty,"
but they somehow manage to keep
their individuality.
This is demonstrated in

the variety
of teachers at RHS.

It has been said
that everyone has his

lighter side

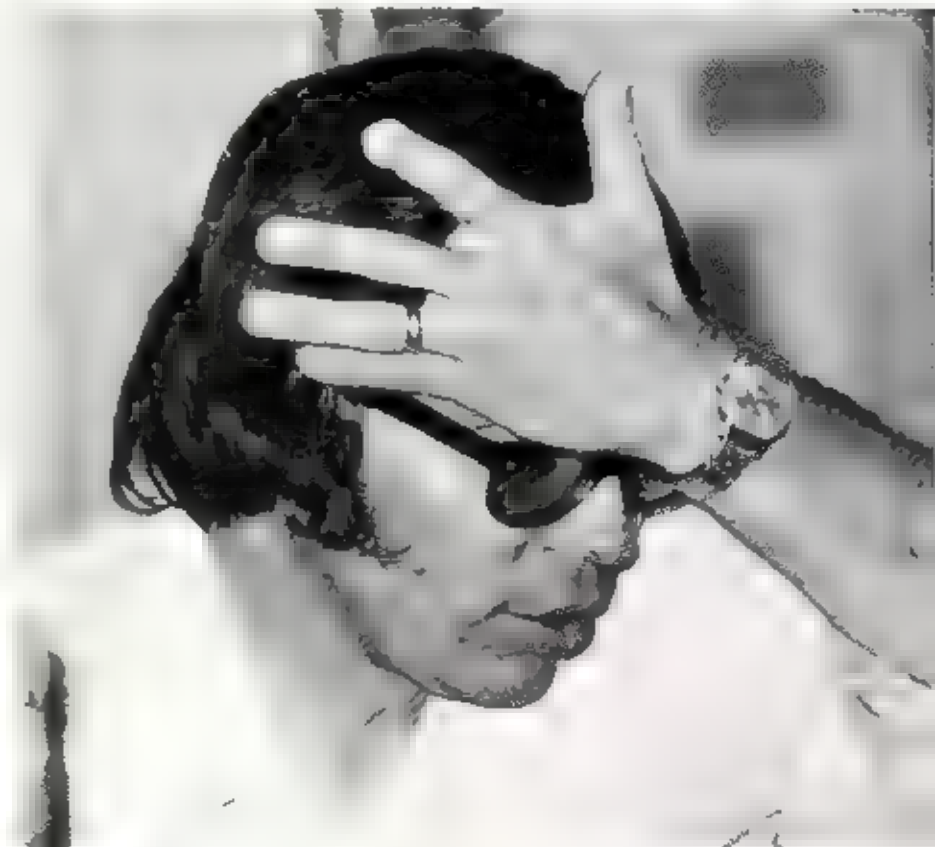

and The Educators are
no exception.
When caught
off guard
(in or out of the classroom),
a teacher has a way of
revealing his true and often
hidden personality
through his expressions.

"Oh . . . It's a mouse . . ." muses Mr. McKean.

"Ha, ha, Euell Gibbons, I eat ice cream for my nutrition!" grins Mr. John Eplen.

". . . but you didn't need to squish him!"

"My boyfriend told me about Ultra-Brite!"

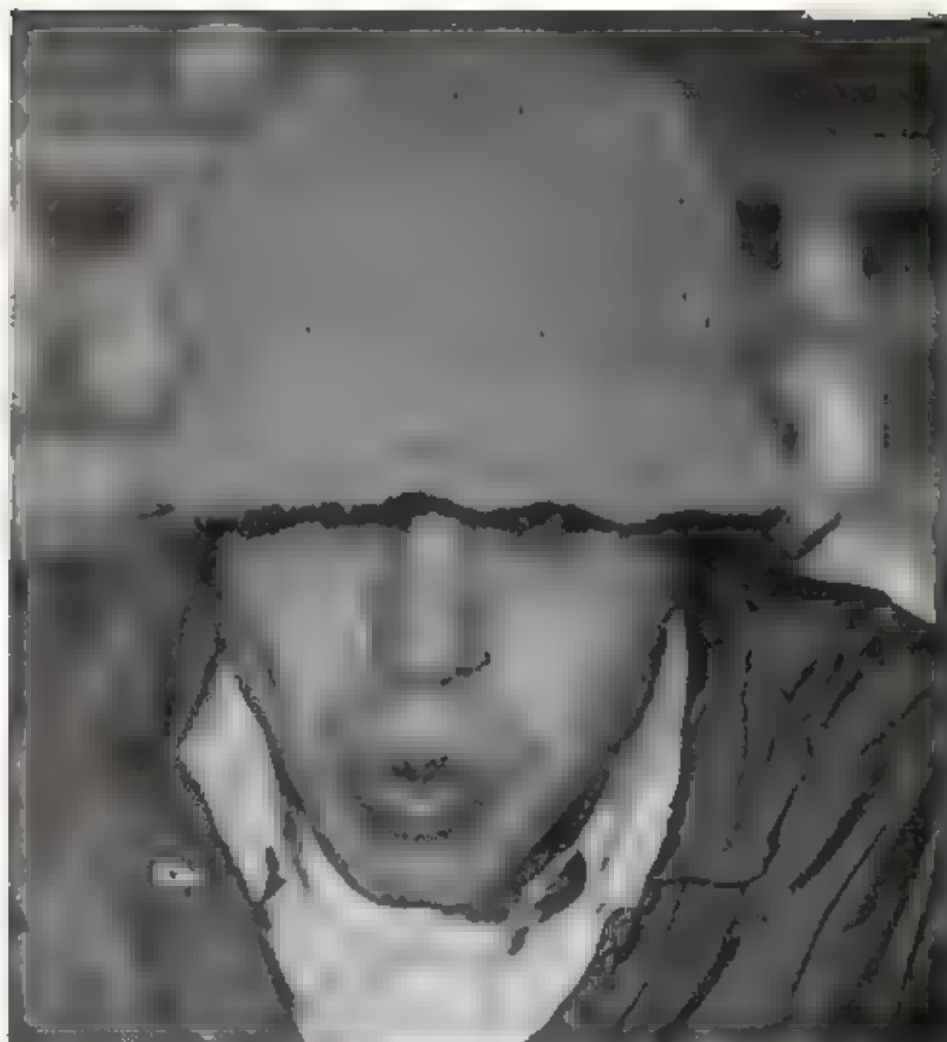

"And it was this big . . . but it got away . . ." explains Mr. Dunn.

"The balloon's filled with what?!" questions Señora Patterson.

"And now, our speaker for the day . . ."

"Anybody got a banana?"

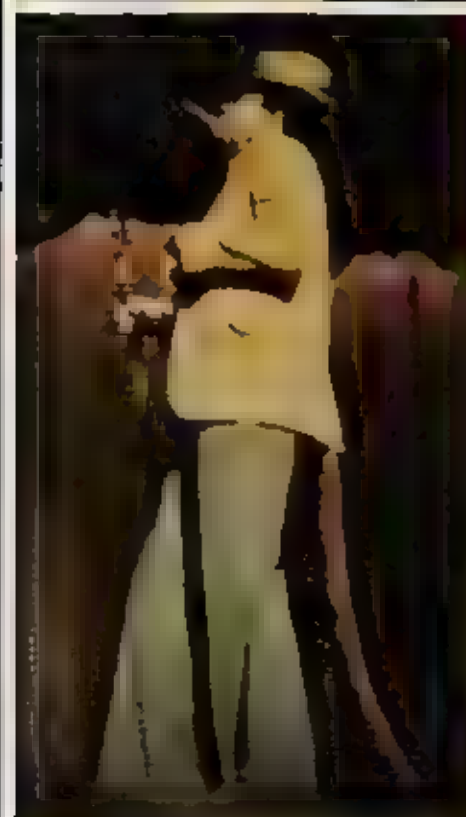

"Well, Richard, you still lack something in sex appeal."

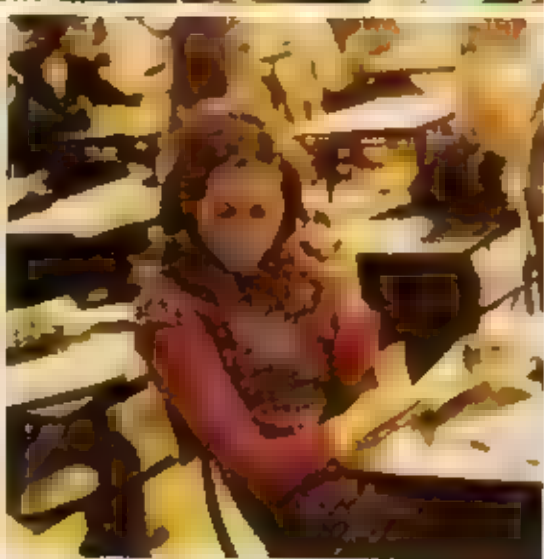

"Mmm, that's an unusual way to put it."

Even from the beginning, the senior play was rather shaky. It all began one day after school in C212, and the problem was the seniors didn't know if they wanted a play or not. Yes, for the first time ever seniors voted on whether to have a play, a musical, or a vaudeville production. They voted to have the play, but got a little of all three in

A Thurber Carnival

written by none other than James Thurber. Despite the shaky start, after a month of practice, a lot of yelling, a few cast changes, and several moving speeches by Ms. Sanford and Ms. Cozart, it blossomed into one of the finest and most entertaining productions ever at RHS. But most of all, the musical comedy succeeded its original purpose by making the Senior Class over \$1,300 in profit.

Gary Plinario warms up at the district track meet.

Casual Day brought a lot of comfort, but also preparations for exams.

Isn't he sweet?

The day the Seniors took it easy.

For some of the guys at the Senior prom, the tuxes proved to be a little uncomfortable.

May 20 brought on a new experience for the Class of '74! After 12 years of dress codes, the seniors went wild. Senior casual day was characterized by everything from cut-offs and halters to bathrobes and slippers. But May 21 brought senior dress up day and the honors assembly. On this day seniors, dressed as for church or prom, were united in a position of honor at the assembly where they could view their classmates as accomplishments were acknowledged.

Gretchin Schneider — Senior Prom Queen.

David Smith and Skipper Baldwin show one solemn moment before the night fun starts.

David Frank tries to go incognito but is quickly recognized by the photographer.

After a month of preparation, searching for dates then dresses, ordering tuxes, corsages and boutonnieres, May 18 and the

senior prom

finally arrived! But it had its beginning long before this. For the men there were months of financial difficulties to make the night possible. And for the girls it was a 6th-grade dream of a Cinderella evening come true. For some this evening began as early as 5 p.m. with before-the-prom parties. 7 p.m. saw many couples at the finest tables of the finest restaurants and 9 p.m. at the Apparel Mart — The Prom was underway. 11 p.m. marked the crowning of Gretchin Schneider — prom queen, and the recognition of her court — Sandy Lanier, Debbie Stutts, Lynn Liles and Pam Nurenberg . . . more dancing . . . more parties . . . The theme was An Evening in Paris, the music by Daniel, and the enthusiasm furnished by the Class of '74.

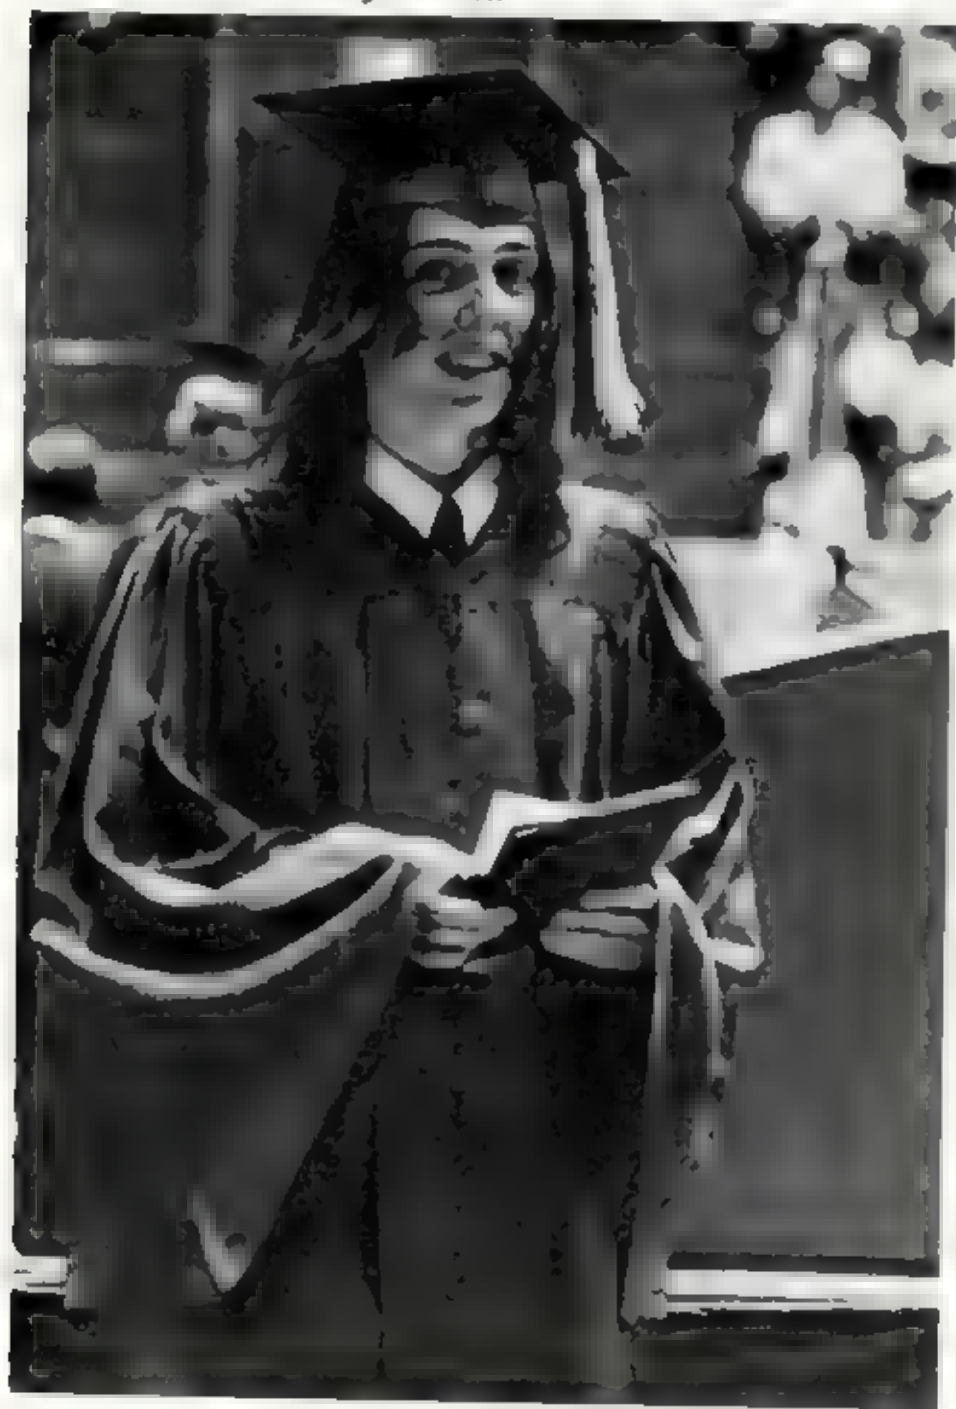

Pam Pierson and Richard Anderson play "You love me, you love me not."

"Are our tassels supposed to be braided?" wonders Suzanne Alfred as she looks at Wyatt Allen.

... the class of '74.
They will be remembered as the first

senior

class free of the painful fear of the draft and the first class to accept the privileges and responsibilities of legal adulthood . . .

On the night of May 28, 1974,
814 senior students traveled to
Moody Coliseum for

graduation.

Each received their diploma, a small piece of paper representing 12 years of work. The speakers included Dennis Williams, Class President; Georgia Schrader, Salutatorian; and Bryan Frank, Valedictorian. As Steve Zylka walked across the stage the hats began to soar in the air and each senior remembered when he had looked forward to the next year instead of the rest of his life. It was a milestone in each senior's life. Afterwards followed a fun-filled all-night party at Le Baron Hotel. Now, perhaps for first time, each graduate realized he was a part of the open world and with the security of family and friends soon to be left behind, each was to face the experiences of life. — But the memories linger.

The many expressions of John, Dennis, Georgia, and Bryan.

"Why me Lord?" thinks Kevin Worthington as he waits to receive his diploma.

Mr. and Miss RHS, Jim Beneke and
Jill Jeanes, show definite
characteristics of

leadership.

As co-captain of the football
team, Jim's dedication and
courage earned him the David
Tarwater Award for Perseverance.

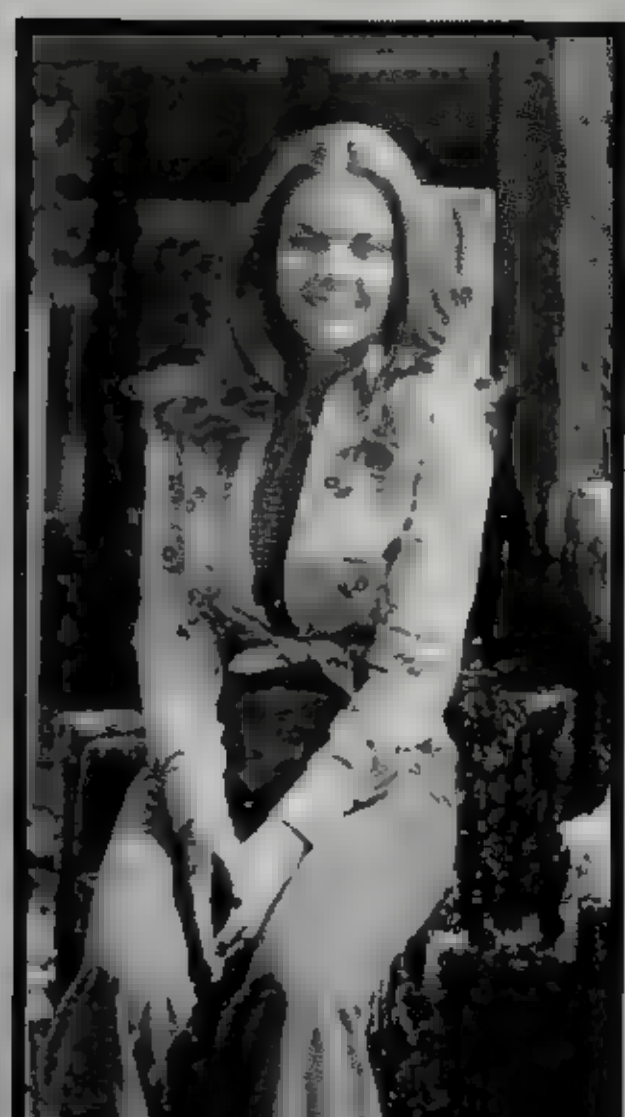

He served as editor of the Talon,
a junior usher and junior class
favorite, and lettered in track.

Jim enjoys sports, girls and
the outdoors, and plans to
attend UT at Austin after graduation.

Jill's active interest in school
life took up much of her time.
Being head cheerleader, historian
of GSL I, and a member of NHS
left her with few free hours.

Her support of the football team
garnered her the title of
Football Sweetheart. Jill lists
sunshine, outdoors, moustaches,
strawberries and Elton John as
some of her favorite things.

Her personality is best reflected
by her philosophy on Life:
"I am only one, but I am one.
I cannot do everything, but I
can do something; and what I
should do and can do, by the
Grace of God I will do."

Cathy Lankford
Most Likely to Succeed

Proving their ability to hold responsibilities in many organizations Bryan Frank and Cathy Lankford certainly deserve the title most likely to

succeed.

Cathy, who plans to attend Rice University has earned such recognition as DAR Citizenship Award, National Council Teachers of English Writing Award and National Merit Scholarship.

She also served as vice-president of Student Council and secretary of NHS. Her interests include horses, sailing and music.

Among Bryan's many contributions to RHS are

his being president of NHS, junior usher, scholastic sweater winner (2 yrs.)

and a 3-year member of FCA. He

proved valuable to the track

and cross country teams

and has been active in Key Club during

his high school years. Bryan, who wants

to become an Aggie at Texas A & M,

says that a few of his favorite things

are outdoor sports, steak, Christian

athletes and Christ.

James Moore and Pam Richey
Most Handsome and Most Beautiful

Pam Richey and James Moore were chosen to represent Most Beautiful and Most Handsome because of one special quality . . . they're

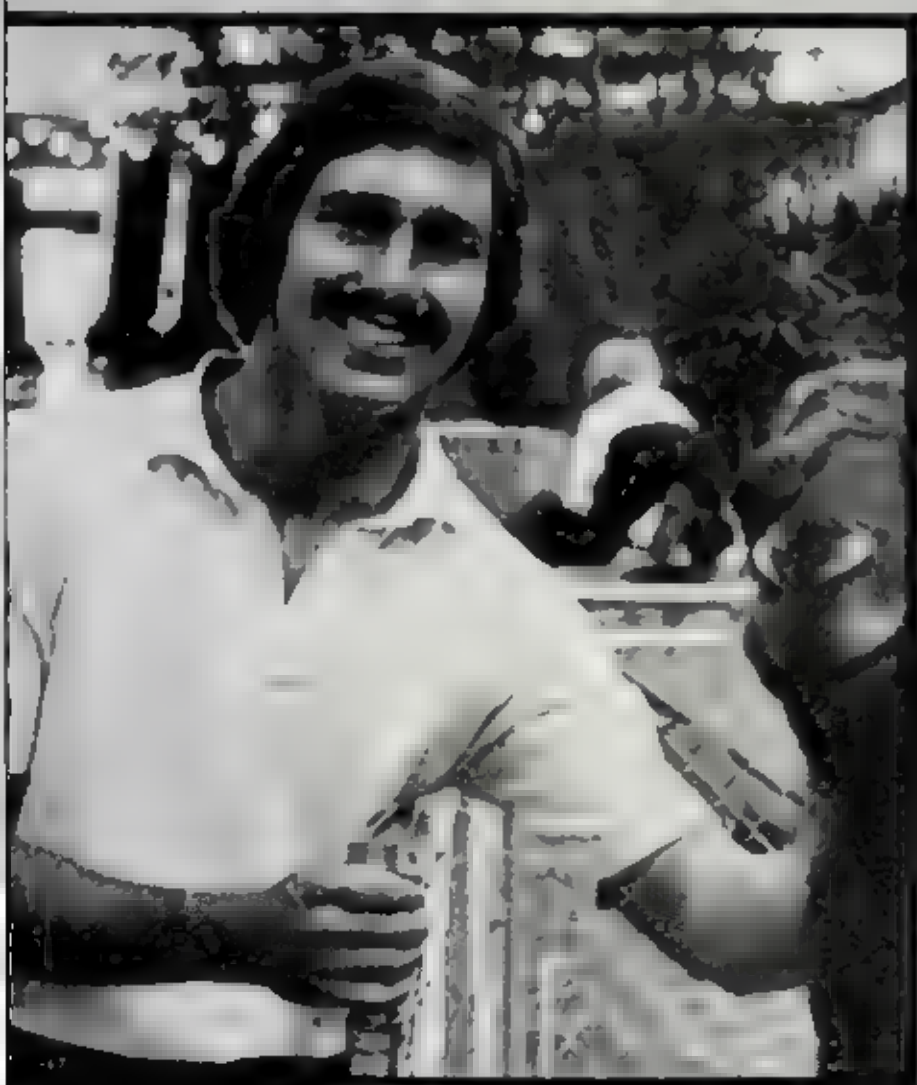

good lookin'.

In addition to this, Pam, as captain of Eaglettes, is known for her achievements in drill team and dancing. She "likes to see people happy and in some way help others." Her future plans include attending Kilgore College where she hopes to become a Rangerette and study to be either a physical therapist or a P.E. teacher.

James, who served as emcee for the Senior Talent Show, enjoys creative writing, music he can sing by, friends and sunshine. He believes strongly in self-discipline, self-awareness and self-control. This is echoed by his philosophy on life:

"I am not what I ought to be
not what I want to be
not what I am going to be.
But thankful I am not what I
used to be.

And **confident** that I will strive to
become the best I am capable to
becoming."

If wit is having the ability to make clever comments, then Becky Gantt and Wade Cowden take the cake. Being named

Wittiest at RHS

fits them both to a tee.

Becky was active in Eaglettes and Tri-Hi-Y, and considers dancing and music her two main interests. She claims that she is addicted to Dr. Pepper and Alka-Seltzer.

Wade, who was president of Key Club, wittily lists his other high school activities as being in Alcoholics Anonymous and a charter member of the Bachelor's Club. He gets much enjoyment from his "good lookin' cowboy hat" and Jerry Jeff Walker.

Becky Gantt and Wade Cowden
Wittiest Boy and Girl

John Akin and Kim Anderson
Friendliest Boy and Girl

Seniors voted Kim Anderson and John Akin as the

Friendliest

girl and boy of 1974. Kim has been active in various aspects of RHS, including Tri-Hi-Y, AFC/GSL I Student Council and Eaglettes where she was a manager. She loves being with people — just laughing and talking — and plans to attend OU. John takes a real interest in human nature and being with people — especially women. Sophomore favorite, Key Club and AFS member for three years, and junior usher have kept him busy during his high school years. After graduation, John is going to be a summer counselor at Camp Grady Spruce and attend UT in the fall.

Dedication to athletics has earned Joel Wittenbraker and Jelia Jones the honor of

Mr. Sport and Miss Pep.

Joel, having been involved in baseball, football, and basketball, has proved himself an ideal athlete. He likes animals and wants to become a vet.

Jelia, who also enjoys all sports, has served as a cheerleader for two years and was honored as Homecoming Queen '73. Both claim that they enjoy being outdoors and listening to music.

Joel Wittenbraker and Jelia Jones
Mr. Sport and Miss Pep.

Amy Carruth and Mike Mahaffey are

Senior favorites.

Amy . . . an Eaglette lieutenant member of NHS, GSL, and recipient of a PSAT Letter of Commendation. She

lists among her favorite things: her church group, music, traveling, friends, and bright things like sunshine and rainbows.

Mike . . . a member of Key Club and JCL. He takes an interest in sports and music. He claims that his favorite food is lobster and favorite musician, Jim Croce. Following graduation, he plans to attend UT and major in communications.

Senior favorites
Mike Mahaffey and Amy Carruth

Terry Bentley and Ray Smith are

Soph favorites.

Terry . . . a newly elected cheerleader, takes an active interest in track, where she excelled as a member of the girls' track team.

Ray . . . a real sport and a member of both the football and basketball teams. He enjoys listening to music and, would you believe, takes a special interest in snakes.

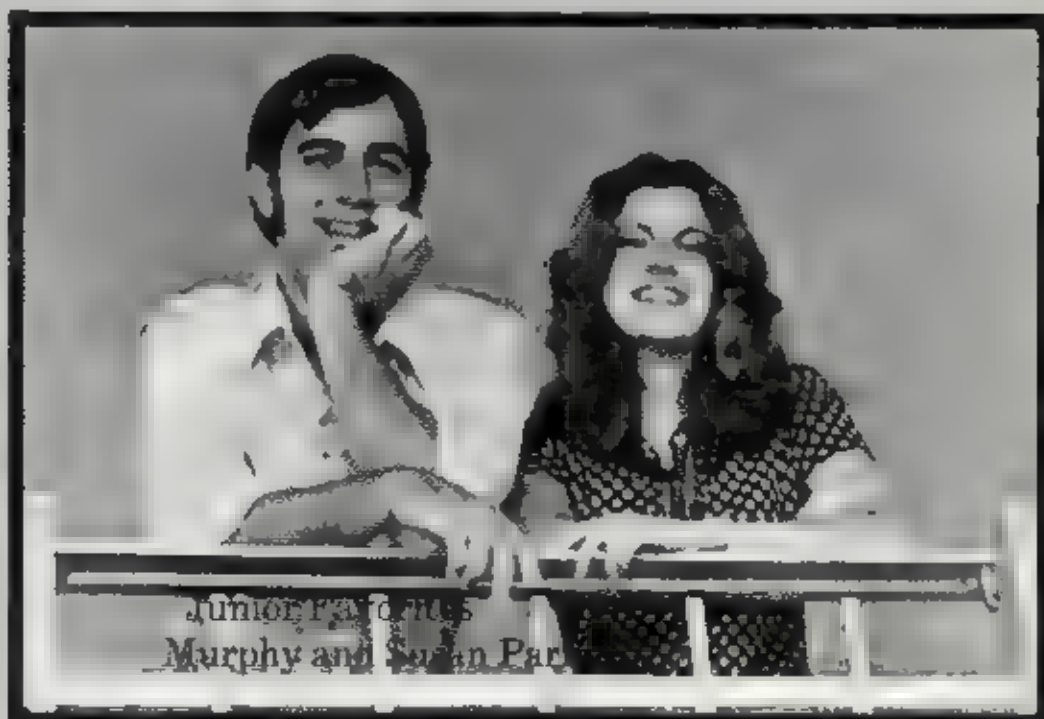

Susan Parker and Randy Murphy are

Junior favorites.

Susan . . . an RHS cheerleader and participant in the volleyball intramurals. She most enjoys being with good friends and just living.

Randy . . . a real outdoor-oriented guy. He prefers hunting, camping, wildlife and forestry, skiing, and just about any sports. He was involved in football and track and served on the Student Council.

There is an element of RHS that often goes unrecognized until scholarships and educational awards are handed out each year. This element consists of those people who possess

Superior

minds. This year's graduating class was blessed with an abundance of these people. Fifteen students received recognition as

National Merit finalists:

Woody Denman, Cathy Lankford, Ronnie Hughes, Georgia Schrader, Julie Vinson, Cathy Hall, Grant Perry, Kenneth Johnson, Duane King, and Chris Jagmin.

Sweater winners included:

Woody Denman, Chris

Eberspacher,

David Hardy, Cindy Janke,

Steve Uhrick, and Julie Vin-

son. The Top Ten seniors were:

Bryan Frank (valedictorian),

Georgia Schrader (salutatorian),

Pam Amis, Woody Denman, Chris

Eberspacher, David Frank, David

Hardy, Ronne Hughes, Cindy

Janke, and Lynn Shubert. The

Juniors got into the act with

Starr Braun, Paul Gundry,

Kathleen Hall, Paul Holloway,

Liese Sherwood, Valerie Taylor,

Beth Volin, and Pam Wurste

receiving Scholastic Sweaters.

National Merit Finalists

Twenty

Junior ushers

were selected by the seniors to cater to their many needs throughout the year. They were: Joyce Crawford, Kim Braziller, Prue Blake, Susan Bellah, Laura Irons, Gigi Hawes, Sabrina Walker, Jene Jones, Kerrie Ivy, Jay Nickell, Larry Ohlen, Mark Godich, Sammy O'Brien, Paul Glaze, Brian Bateman, Tim Lodwick, Russell Cosby, John Farry, Vicki McAlister

and not pictured, Wilson Calhoun. Their main job was ushering at Baccalaureate and graduation exercises. Other tasks included ushering at the Senior play and Senior talent show, decorating for the Senior Prom, and generally helping promote the Senior Class. Male members of the group participated in a beauty (?) contest during half-time of the Senior-Faculty basketball game. After their hard work, they were rewarded by being admitted to the Senior Prom and All-Nite Party.

Faraway there in the sunshine are my highest aspirations. I may not reach them, but I can look up and see their beauty, believe in them, and try to follow where they lead.

— Louisa May Alcott

A smile costs nothing but gives much. It enriches those who receive it without making poorer those who give. It takes but a moment, but the memory of it sometimes lasts forever. No one is so rich or mighty that he can get along without it, and no one is so poor but that he cannot be made rich by it. Some people are too tired to give a smile. Give them one of yours, as no one needs a smile so much as he who has none to give.

The Underclassmen

An apparent lack of interest by the Junior Class at the start of the year later developed into enthusiastic participation.

Juniors became involved with Carousel, basketball games, spring sports, The Junior Variety Show, language conventions, Youth-in-Government, and cheerleading and Eaglette tryouts. About 50

Juniors

participated in The Junior Variety Show. The show consisted of a jazz dance, a satirical classroom scene and assorted fillers.

Music was provided by the stage band. The Variety Show, the first of its kind, proved to be more successful than any previous Junior Class assembly. The Juniors made over \$800.

The Juniors started out the year determined to show RHS who was the #1 class. Most Juniors had gotten over their fear of Seniors and were busy terrorizing the Sophomores.

In the fall

Juniors devoted their time to athletics and clubs in which they were involved.

There were Homecoming floats to make with crepe paper which was hated almost as much as Pearce.

Of course, the #1 pastime for the guys was still girl-watching, and for the girls, vice-versa (only the girls weren't as obvious)!

And then there was um, um, oh yea . . . studying.

Bryan Holland is patiently awaiting the Junior Class officer results.

Secret to Kim Springer's success: Put brain in gear before putting pencil on paper.

"Hey, what happened to my front line?" exclaims Michelle Clifton at a Spanish Club practice for the powderpuff game.

As the Juniors went through the year involved with classes and school activities they conveyed their

personalities

through various expressions including surprise when the wrong announcement came over the Junior study hall saying the U.S. was involved in a war in the Middle East, nervousness about taking the PSAT, excitement about going to Colorado on a ski trip or to Austin on Youth-in-Government, and, of course, despair over struggling through algebra tests and chemistry homework.

Sheri Lamb adds sparkle to the RHS band's performance during half time.

"I wonder if it's something she ate?" ponders Beth Hooper about Barbara Ashmore.

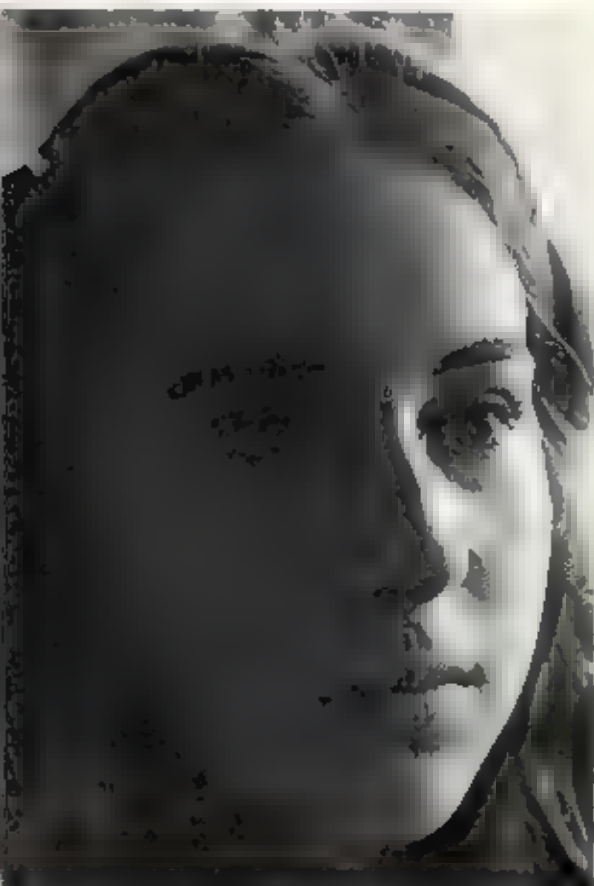

Barbara Ashmore, Cathy Gilliat and Annette Weiss wait to perform on the field during half time at the Hillcrest-Richardson game.

Greg Allen specializes in Cigar Smoking 3-4.

Many Juniors were happy for the break in the "Winter Blahs," and wholeheartedly devoted themselves to "Clean up the Classrooms Day" sponsored by the Student Council. Yet, some students had an I-can-care-less attitude to this and other activities throughout the year.

Panic set in among some students as they rushed to finish **Huckleberry Finn** and **The Crucible** for English and toward the end of the year Juniors became pensive and thoughtful about what they had accomplished in the 73-74 year and what the coming year would hold for them.

There it goes again. Donna Goldsmith tries to decipher the Bell System.

"I used Scope today. See?" yells Debbie Paschal.

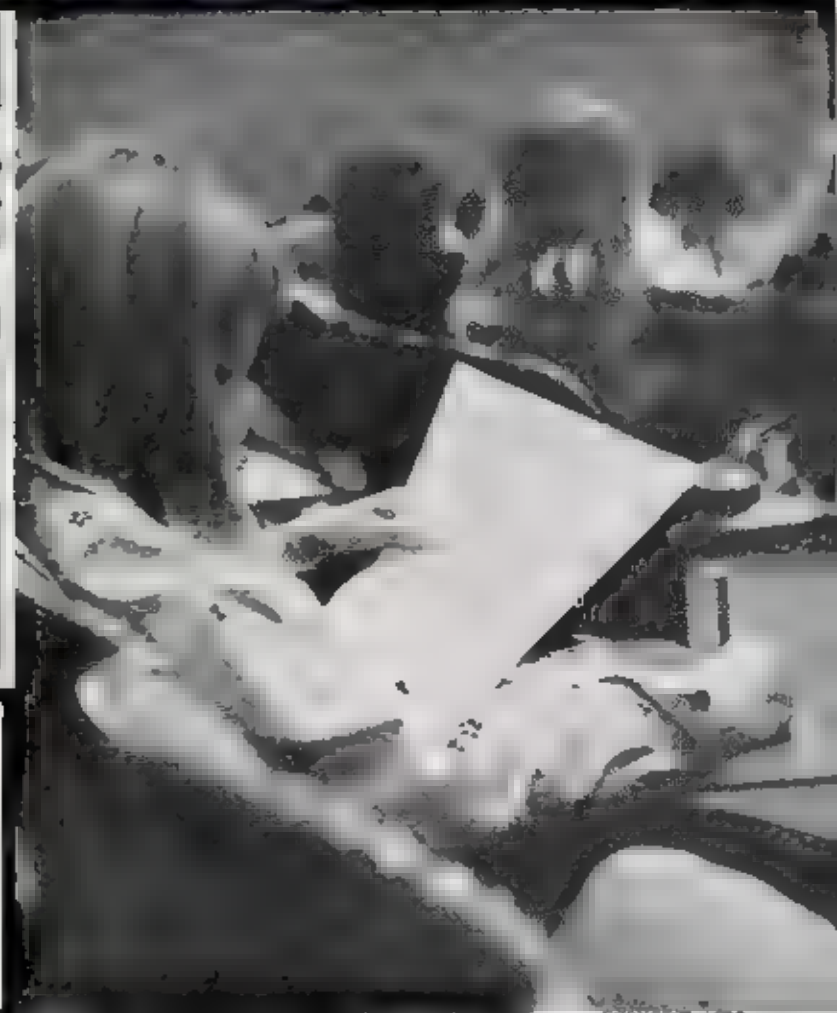

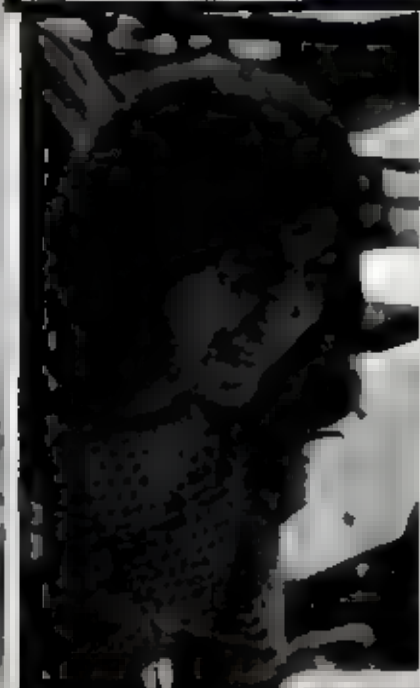

"It's raining, It's pouring, The old man is snoring." sings Don Ruhl.

Members of the Sophomore Class of '74 could be found involved in everything. Interest in both in-school and out-of-school activities ran high with sophomores even making varsity teams. In addition to sophs on the B-team and JV's, Undrea Walker made Varsity in football

↓ Keep laughing

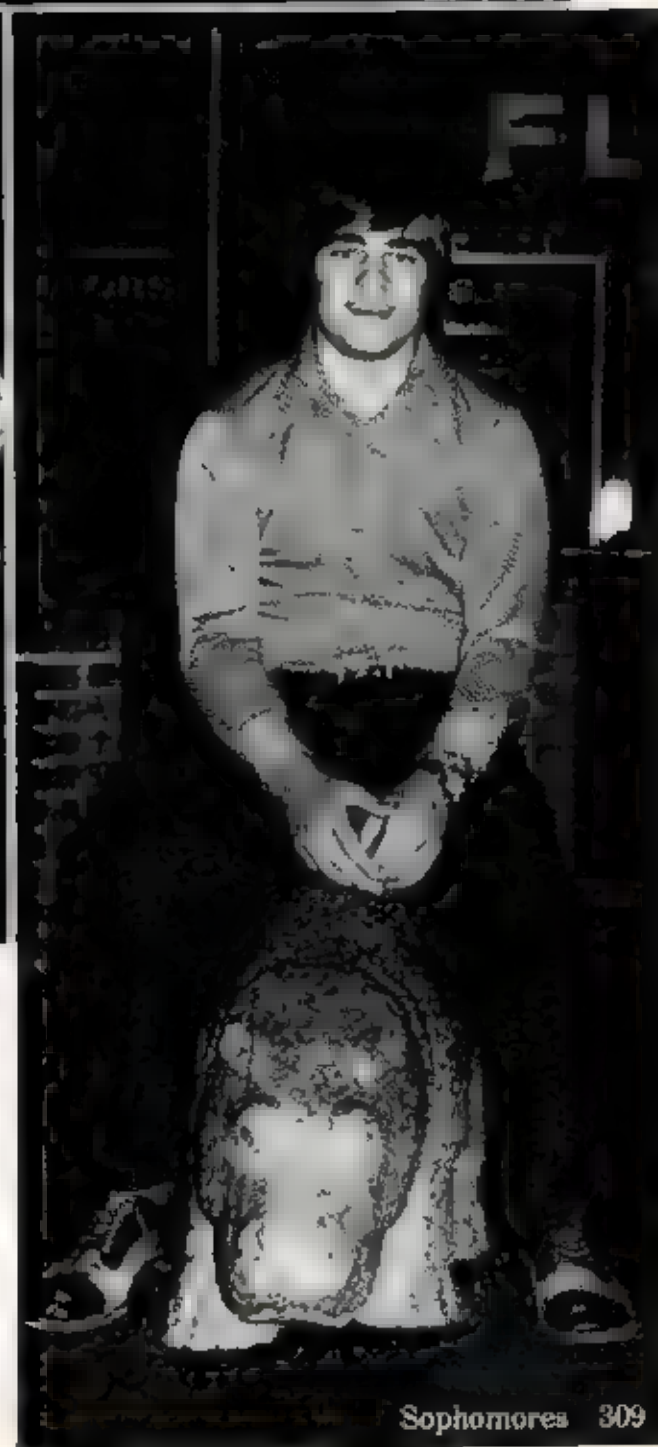

and Steve Holland made the Varsity in basketball. Over 200 sophs were in Eaglefeathers and 83 were bandmen. Pre-employment Lab, a new vocational program, also had a lot of sophs . . . and who could forget driver's ed or the smoking area or our own C Hall.

Destiny's World by Mother Nature

Destiny's Beauty by The Earth

Destiny

The hands of destiny reach out for we are all children of upcoming doom. Destiny calls on all people in different ways. Though no one has found a way to escape it . . . for no man decides his own fate. Instead man wanders through his bleak world answering to an unknown force stronger than he.

Destiny's Song by Kathy Rowland

I can't say in words
how much this means to me,
So I'll try to show
in the things I do,
How grateful I am
to know you.

Today is different
from yesterday.

Tomorrow

is a question
I ask —
For it is mysterious
to me.
Today I'll smile
to greet you,
Hoping tomorrow
you'll remember me —
For knowing you has
made my day!
That is the tomorrow
I have in question.

"Tattletale," thinks Tricia Beasley, "see if I ever tell her the answers again."

And who forgot their Lifebouy to give them that extra lift?

Pam Pepper shows that cute guy on the second row her drawing of a frog in hopes of getting a date.

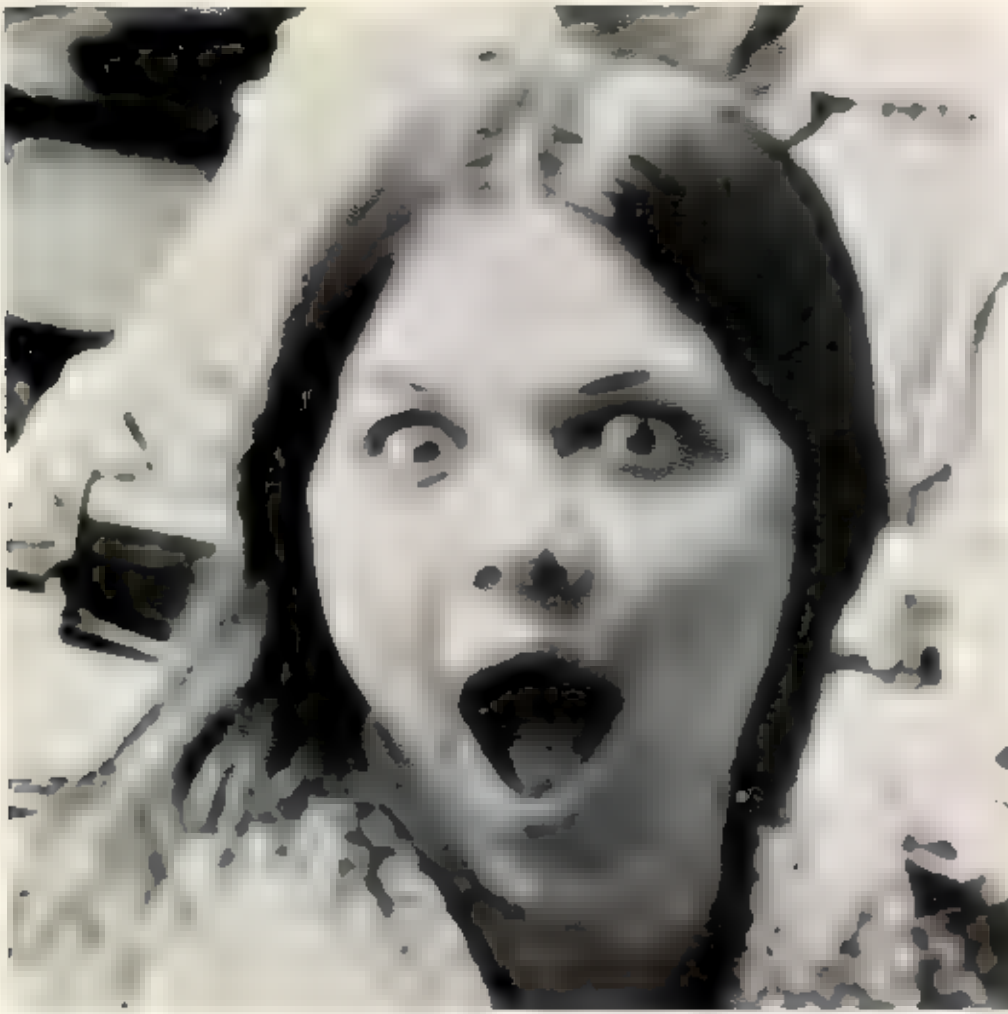

Cupid strikes again as Jeff Cade receives his Valentines day carnation.

Sophomore minds are capable of thinking up brilliant ways of passing those long 55 minutes. Many take up skipping, while others grin and bear it. Of course, there are some

pranksters

that think of RHS as an audience for their silly sideshows. Time passes and soon this years SOPHOMORES will be next years JUNIORS.

Oh, you've got to be kidding — a streaker in the Eagle's Nest'!!

"Denise Clark, would I lie to you," exclaims Liz Darelius.

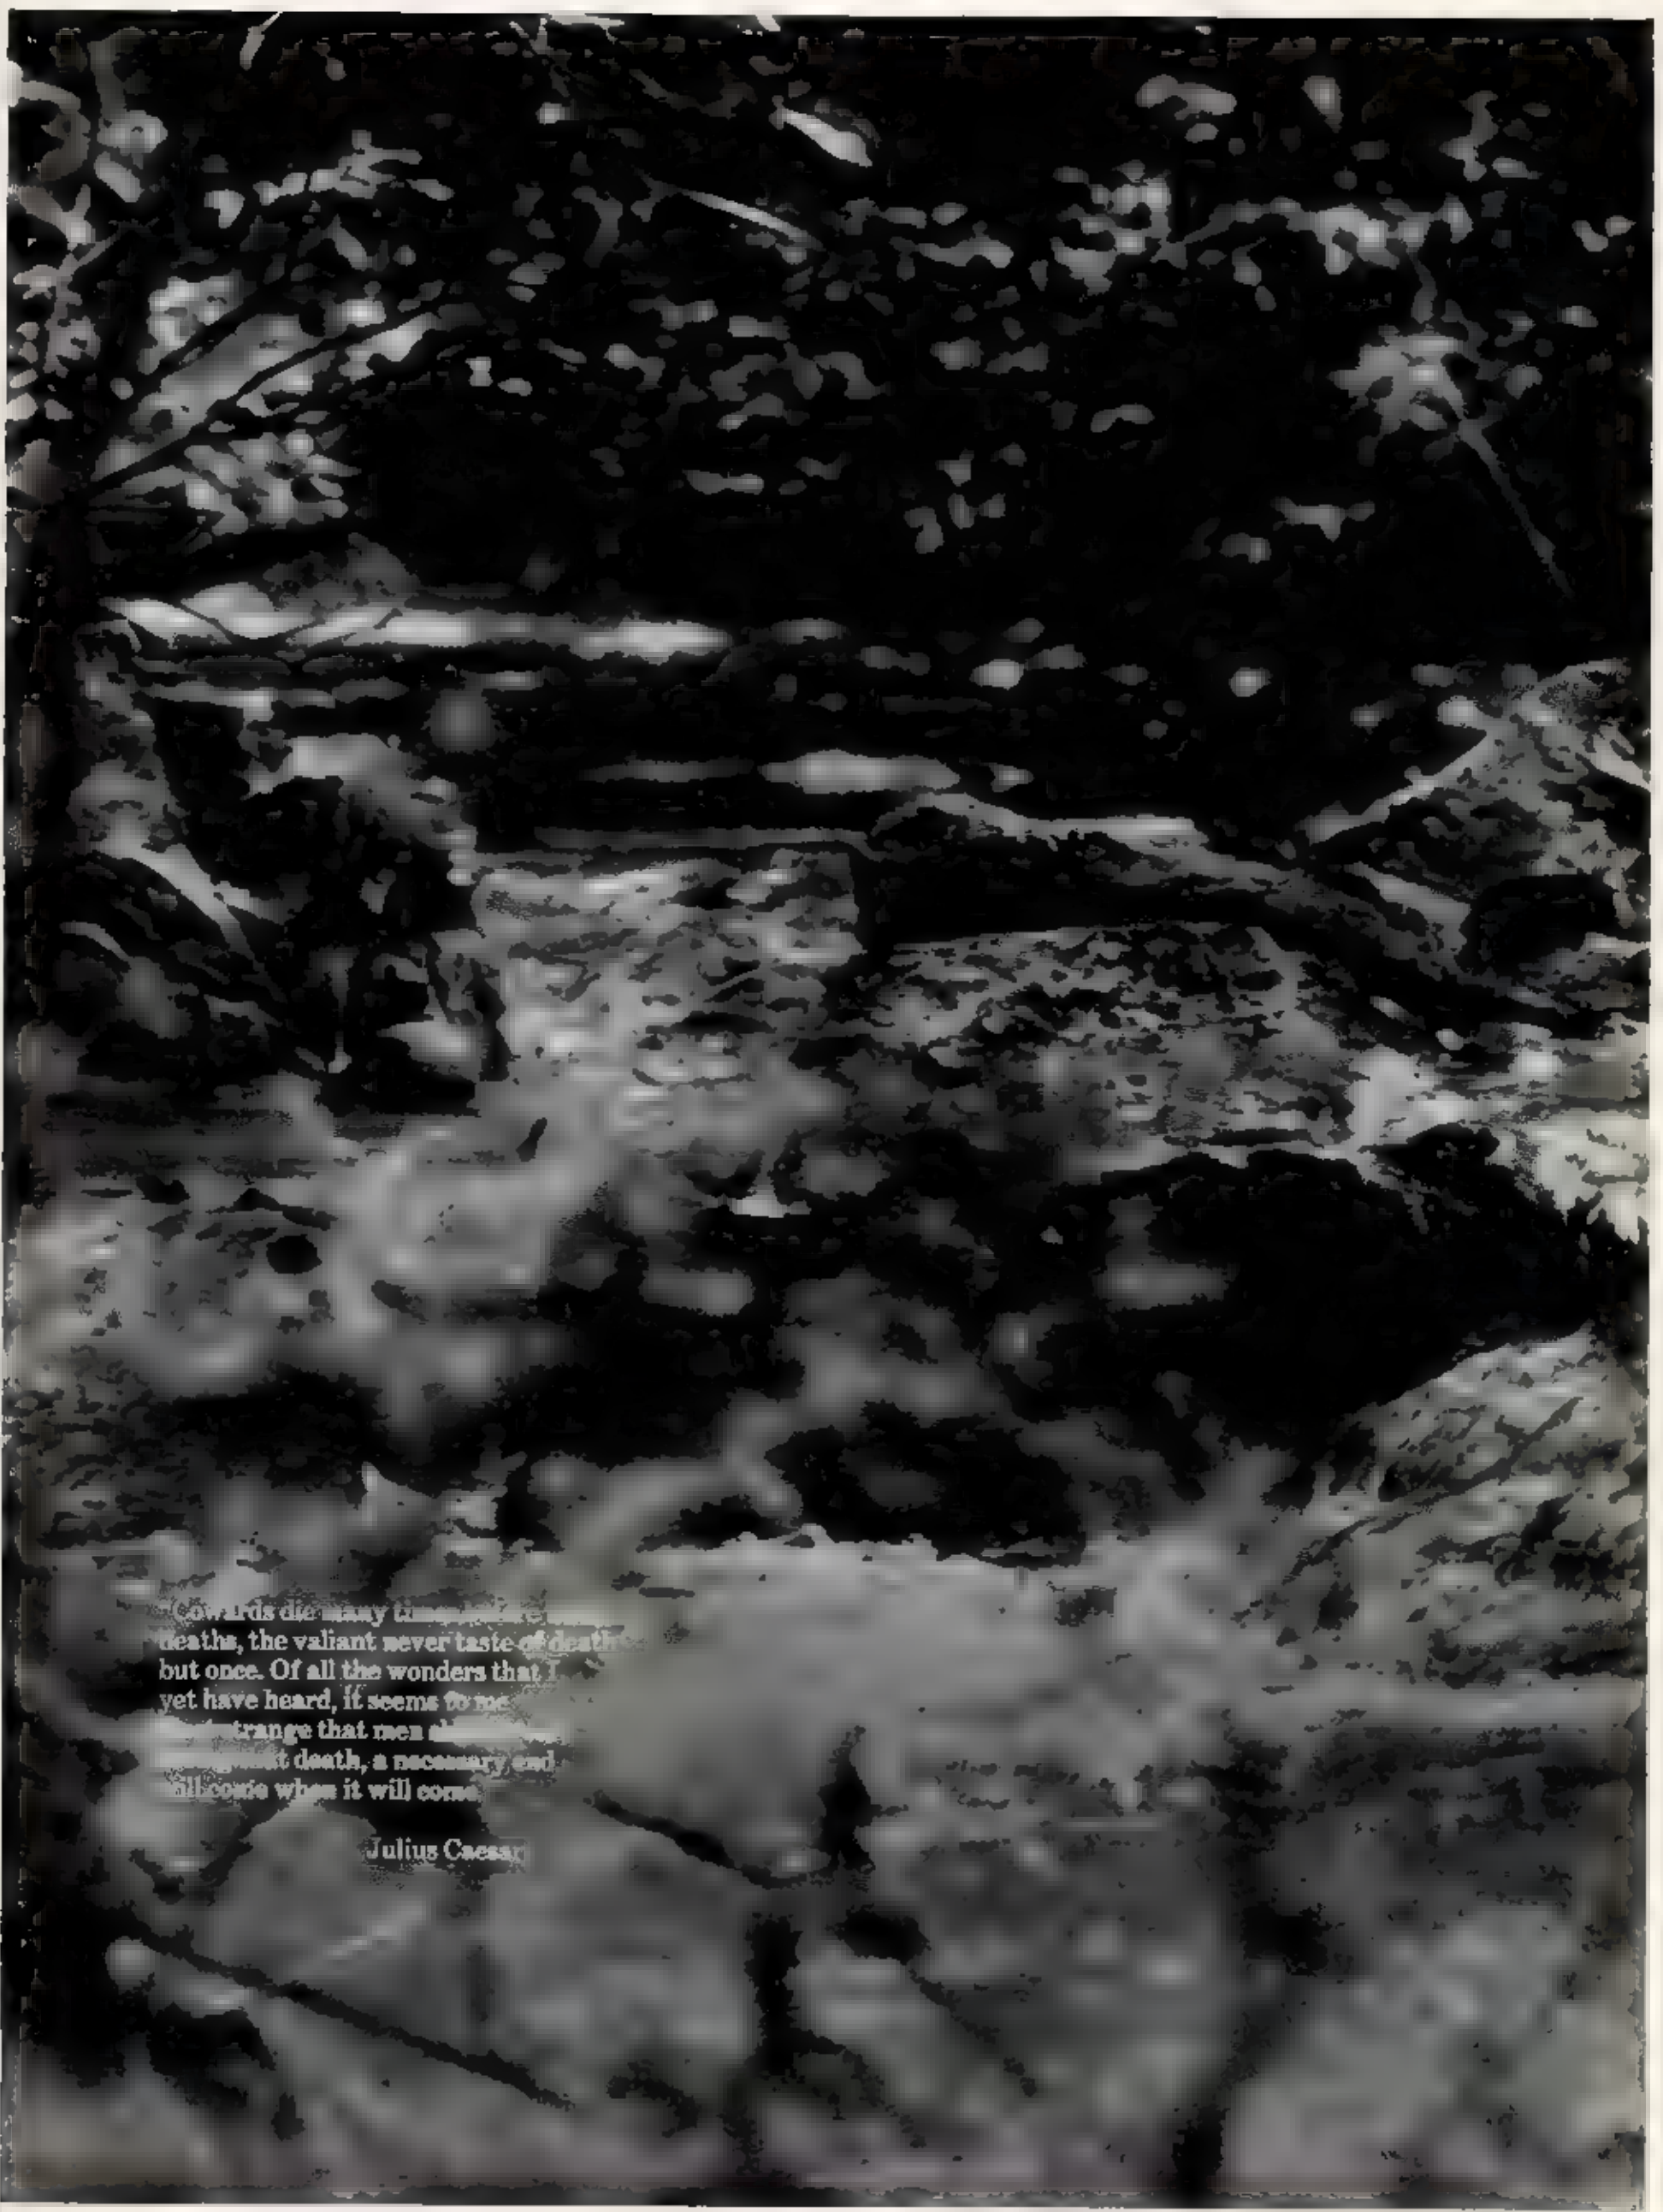

David Weiss attempts to hide from the coach, behind a fellow track star to "set awhile."

David McGrew and David Simpson know that friends who play together stay together.

Bill Brown gives us his impression of the Pillsbury Dough Boy at Key Club Pancake Day.

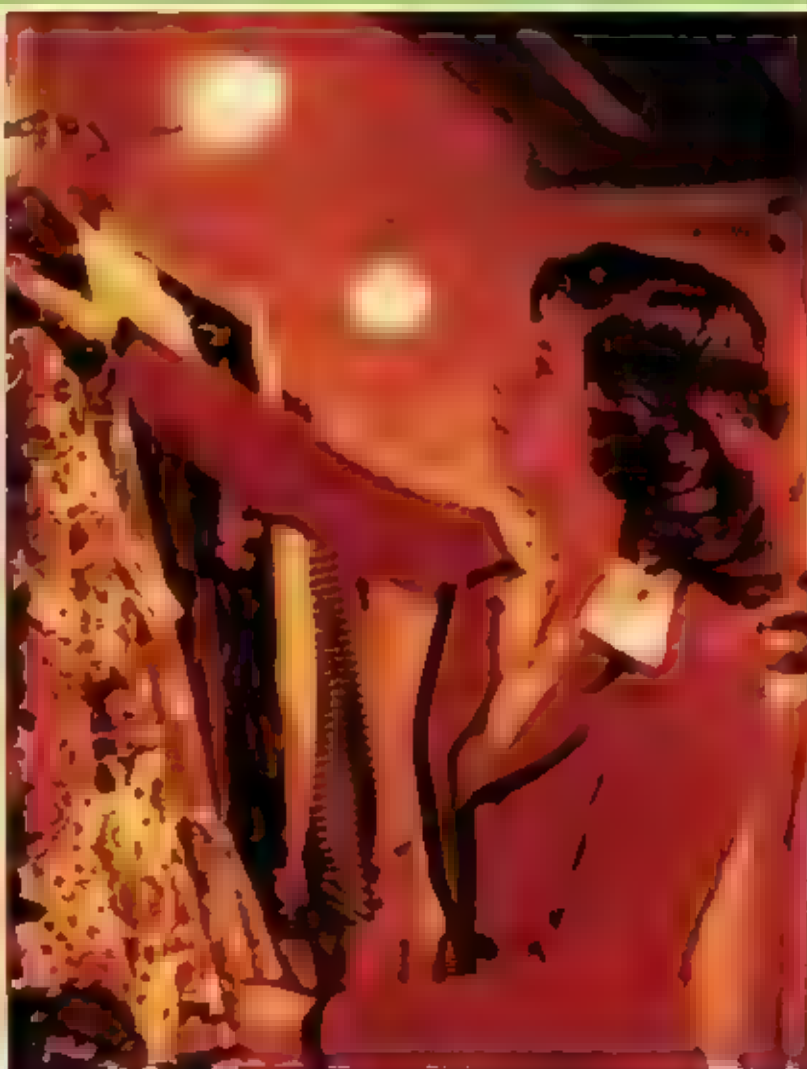

Cowards die many times before their
deaths, the valiant never taste of death
but once. Of all the wonders that I
yet have heard, it seems to me
most strange that men should fear
the worst death, a necessary end,
all come when it will come.

Julius Caesar

The Promoters

Today's Army has more good jobs to fill than anybody.

We make job hunting easy on you.

For starters, we offer over 300 jobs. And you don't have to worry about experience or training. We'll give you that.

Next, we have Army Representatives who'll help you get the job you want, where you want to do it. All you have to be is qualified.

And you won't have to quibble about pay. Everyone starts at \$326.00 a month before deductions. (How far you go after that pretty much depends on your ability.)

You won't be short-changed on fringe benefits, either. Free meals, free lodging,

free medical and dental care, and 30 days paid vacation are just a few.

If you're looking for a job that's as good as you are, call or see your nearby Army Representative.

EAGLES ARE FOREVER

It was

a time

*and it will
never be
again.*

*As the tributaries of a river
become one flow, so our lives
become one; and, as the river
empties into the sea, so
must our ways part.*

Travis,
I'm glad you've been
friends with these past 2
years, I've seen all of
you've got a great person-
ality and the looks to go
with it! I hope you'll be over
better friends in the years to come.
The "Blue Musketiers" will never keep
part - huh? You're a great dancer,
it up! Stay Sweet,
Love ya,
Cynthia
'73-'74

P.S. Don't be mean to
me at school, just cause
I'm a Soph.

Yea Wheelcrest!
Que Pasa!

Thanks for
everything
being you!

Marilyn,

I feel so funny writing in
a Richardson Annual - especially in
October. You people sure are ^{so} strange.
Well to the mushy stuff! You've
been such a great friend, helping
me with my parental problems,
and knee problems. Two fat pains!
Speaking of pains & fat, I plan
to lose some of that I gained during
the year. I think I took up one of
your good or even bad habits of
eating everything in sight - no
matter what! Anyway - It's really
been fun, even though we haven't
known each other very long. Only
6 months, if you count the Cicchetti
convention - or 4 months if you
count TATD. It was so much fun.
You really are a great dancer, and
I don't care what you say. You
will really be a fantastic teacher.
Thanks for being so sweet to me
and doing so much for me. I
begin to tell you how much I appreciate it
I better stop before I get to
mushy & run out of room. So
thanks again for being the way
you are: and please stay the
same crazy way you are. Try to
stay sweet!

RICHARDSON

Got a truck
Love Always
Marilyn
